Pass The 65(tm) Robert Walker, 2016-01-04 Trying to pass your Series 65 Exam *Pass The 65* is written with the reader always in mind This Series 65 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the NASAA Series 65 exam outline point by point Notice that there are four chapters in our study material which correspond to the four sections of the NASAA Series 65 Exam outline We try to keep things as easy as possible in our study guides because the exam itself is anything but To reduce your frustration in obtaining your Series 65 license we try to make sure each sample question in our *Pass The 65* Online Practice Question Bank is explained within this textbook In fact we encourage you to use this study guide while working through the Series 65 sample questions When you encounter a tough practice question you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved Remember that the Series 65 license exam is not a memorization test but rather a competency exam as NASAA explains in their exam FAQ Too many Series 65 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when in fact passing your test requires you to work with the information at a much deeper level That's why we explain things in a way you'll both understand and remember at the testing center It takes more work on our end but we feel our job is to make things easier on your end We also take what you learn in the pages of this Series 65 exam study guide to a higher level by presenting you with well over 1 000 challenging questions in our *Pass the 65* Practice Exam Question Bank However our sample questions are not designed to merely trick you which most people find discouraging and confusing at best Rather our Series 65 sample questions are designed to help you learn

the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 65 exam Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow For an extra edge try writing your own variations of practice questions in this same notebook something our tutoring clients have found extremely helpful Pass the 65 is your guide to a passing score on the Series 65 exam This textbook is at the same time in depth and easy to read We don't skip on the details found on the NASAA outline Rather we skip on the filler found in many of the more tedious license exam manuals on the market To give yourself an edge on this difficult license exam buy this book and then go to www.examzone.com to purchase the Pass the 65 Practice Exam Question Bank and other Series 65 study materials This test is not easy The best time to get started is now
