

Watership Down by Richard Adams. (Farrar, Straus & Giroux, \$12.95, 320 pp.) This is a story of rabbits, but it's not a children's book. It's a novel about the power of myth, the power of community, and the power of the individual. It's a story of a group of rabbits who leave their home in England and travel to a new land in the north. It's a story of a group of rabbits who are brave, intelligent, and determined. It's a story of a group of rabbits who are the best of their kind.
