Goodreads **Holidays with the Billionaire** Carolyn Delaney, 2024-10-15 Adlee Getting passed over for a promotion to someone way less qualified is making me want to quit this company altogether. I won't be treated this way forced to continue to be some jerk's secretary. But when that less qualified bimbo has an accident at our Christmas party I've been moved into the role I wanted to begin with. But once I'm told that I'll have to attend the annual week long business trip at the owner's ski lodge I try to come up with any excuse in the book I may live in Colorado but I do not like the snow or snow sports. But Kelton Fox will not hear it. It's bad enough the cocky ex hockey player turned billionaire looks like some kind of sports god but to be around him constantly for a full week I'll surely be out of a job by the end of the week since I can't resist flirting with him and I'm sure he'll have none of that. Kelton After my secretary retired I wasn't crazy about the pool of applicants but settled on the blonde instead of Adlee Phillips. There was no way I could work in close proximity with the brunette day in and day out I'd surely catch some kind of harassment case. But now I'm forced to bring Adlee with me on the annual board members trip to my ski lodge and I have no idea how I'm going to keep it professional around her. She's absolutely gorgeous and just having her in the main offices is hard enough day in and day out. Little did I know that along with beauty she has brains which makes her even harder to resist. How am I going to maintain control around her for a full week. It turns out that is way harder than I thought it would be.
