Matthews, 1973 **Nikola Tesla** Commander X, 1992-01 Top secret revelations concerning a newly developed anti gravity aircraft as disclosed by a former military intelligence operative This aircraft is based upon an invention by Nikola Tesla Tesla arrived upon our cosmic shores in order to shape our technical and spiritual destiny Tesla the author reveals came from another place to alert the world of pending danger WWI and II while at the same time offering helpful solutions to our problems and ways to enhance our lives **Nikola Tesla: Man Or Spaceman?** Michael X, 2015-12-01 New Saucerian Press presents an official reprint from the dawn of the New Age Michael X's Tesla Man or Spaceman If we read the usual textbooks we are told we know who Nikola Tesla really was but we are only told that he discovered the principle for alternating current the ordinary AC electricity in your home What we are NOT told is that Tesla also carried out experiments and devised plans for inventions not only ahead of their time but which would also even today be considered science fiction During his latter days Tesla became more and more secretive about his inventions even to his close friends and students It is alleged that immediately after his death his files were seized by the CIA These secrets were locked away and have only

recently begun showing up again in the form of propellantless technology advertised by NASA Along the way many UFO researchers were hushed up or silenced by the MIB simply for knowing too much about flying saucers Just who is making the money off of Tesla s many inventions today Who is responsible for the abductions of scores of UFO witnesses and researchers Was Tesla somehow getting ideas for his inventions from interplanetary or interdimensional beings The information in this pamphlet provided by the author Michael X seeks to answer these questions and more **The Wall of Light: Nikola Tesla and the X-12 Spaceship** Arthur Matthews,2017-02-27 In The Wall of Light electrical engineer Arthur Matthews friend of Nikola Tesla describes his interactions with the Venusian couple Frank and Frances said to be commander Valiant Thor and his wife Deena in the Epilogue by Gray Barker Not only does Matthews describe how Tesla was influenced by the Venusians but so does Tesla himself in the long introduction that accompanies this classic work of contactee literature
