Film Evaluation Guide, 1946-1964 Educational Film Library Association, 1965 Western Civilization Jackson J. Spielvogel, 1999 There are many reasons why this is the number one selling Western Civilization text in the country. The clear, single-author narrative by Jackson Spielvogel presents history in an appealing and accessible manner. This text truly tells a story that students will understand. WESTERN CIVILIZATION strikes a true balance and provides a synthesis of political, economic, social, religious, military, cultural, and intellectual history. This balance gives students a solid foundation for further study in history. Chapter 29, "The Contemporary Western World Since 1970," is a particularly good illustration of the text's balance. The book's documents and maps are useful and superb.

Five discipline-specific volumes detail entrance and program requirements, deadlines, costs, contacts, and special options such as distance learning for each program, if available.
