Les Imaginaires De Linnovation Technique

Alain Gras

Les Imaginaires De L'innovation Technique:

Les imaginaires de l'innovation technique Alain Gras, 2013-04-18 La technique fait social ne s'inscrit pas dans une histoire d'terminée par la recherche de l'efficacité. L'ouvrage le démontre en évoquant les voies choisies par diverses civilisations. Mais la chaleur comme puissance motrice ouvre de manière inattendue au XIX^e siècle une nouvelle trajectoire thermodynamique. L'innovation technique se fige dès lors dans une prédiction accentuée de la nature qui aujourd'hui concerne même les énergies renouvelables. Une nouvelle trajectoire de rupture s'avère nécessaire dans le cadre d'une pacification de nos rapports avec la nature.

Internet of Things Nasreddine Bouhaï, Imad Saleh, 2017-11-29 The development of connected communicating objects is showing no signs of slowing down. With an increasing number of objects available on the market, the evolution of the Internet of Things is leading to more and more fields being explored via information and communication sciences. This book analyzes the ecosystem of the Internet of Things by retracing the historical and technological context of the Internet's evolution from traditional to dynamic social and semantic and then towards this ecosystem of connected objects. The evolution of concepts surrounding the Internet of Things is explored via real life examples of connected objects, both those used for specific functions and for more general everyday objects. Numerous issues associated with these new technological and digital transformations in a hyperconnected world, as well as the impact of the massive influx of connected objects, are discussed. The crucial questions of potential intrusion into the private lives of users, as well as that of security, are then studied.

Science Fiction and Innovation Design Thomas Michaud, 2020-11-03 Science fiction is often presented as a source of utopia or even of prophecies used in capitalism to promote social, political and technoscientific innovations. Science Fiction and Innovation Design assesses the validity of this approach by exploring the impact this imaginary world has on the creativity of engineers and researchers. Companies seek to anticipate and predict the future through approaches such as design fiction, mobilizing representations of science fiction to create prototypes and develop scenarios relevant to organizational strategy. The conquest of Mars or the weapons of the future are examples developed by authors to demonstrate how design innovation involves continuous dialogue between multiple players, from the scientist to the manager, through to the designers and the science fiction writers.

Anthropologie des techniques Eva David, 2019-05-23 Comment appréhender les évolutions culturelles travers les objets laissés par les sociétés ? Constitué d'un recueil d'articles traitant de l'histoire, cet ouvrage est conçu comme un arrêt sur image de la Science en cours, une focale sur les tudes actuelles menées par une équipe de recherche en Anthropologie des techniques, l'équipe AnTET du laboratoire ArScAn. Il présente l'état des questionnements scientifiques, les champs méthodologiques, même dans leurs aspects exploratoires ou prospectifs, et le niveau de compétences requis dans l'analyse de l'artefact. Ce faisant, toutes les contributions participent d'un tournant théorique et pratique de ce que l'on nomme la Technologie préhistorique.

L'évolution des cultures numériques Christian Licoppe, 2009-04-17 Grâce des tudes inédites et des exemples concrets, l'ouvrage analyse et traite en profondeur l'évolution en

cours et venir des sociétés humaines et en décrypte tous les nouveaux usages

L'innovation dans le système éducatif français Dominique Renaud, 2013-01-01 Le projet d'implantation de cours distance par l'enseignement dans le bassin de Nice Cagnes baptisé SAFONA a entre 2001 et 2005 le terrain d'une expérimentation originale Avec SAFONA l'exigence de rationalisation et de formalisation des pratiques professionnelles introduit de nouvelles normes de management Entre contribution au bien public et modèle de la privatisation le projet SAFONA s'inscrit dans un secteur éducatif en mutation face au processus de libéralisation de l'éducation en général

Pratiques du web Jacques Véttois, 2012-11-01 Au sommaire de ce numéro en autres Les pratiques du Web modes de participation et approches critiques Internet et le Web Quelle compétence informationnelle pour les usages juveniles du Web Le réseautage et ses usages le cas d'un groupe d'anciens étudiants hébergé sur LinkedIn le mouvement 20 des lycéens chiliens de mai 2006

La stratégie comme discours Thomas Michaud, 2011-01-01 La science fiction est utilisée dans les centres de recherche et développement depuis plusieurs années pour anticiper des innovations technologiques mais aussi pour définir des stratégies et diriger les projets De quelle manière la science fiction est-elle utilisée par les ingénieurs Cet ouvrage propose une réflexion sur les moyens mis en œuvre pour filtrer la science fiction dans le but d'insérer son discours prospectif dans les stratégies de l'entreprise
