you teach a child how to dream and open up to the rest of the Universe **An explosive friendship** Claude Daigneault, 2013-01-19T00:00:00-05:00 Friendship and helping each other out The books in the series are designed to help young children from 4 to 7 years old to find confidence in themselves through the use of humor This series is intended for parents who wish to teach their children how to learn and read a language free of limitations The author is convinced that one should not be afraid of words and that children are fully capable of learning a vocabulary that at first might seem a little daunting The author bases this assumption on his own childhood as well as his personal experience with his children and those of his extended family He firmly believes that regular implication by parents in their children's learning process can better prepare a child for the next step in their education that being the first years of grade school The characters in these stories were inspired by comedic duos of the 1930's and 1940's such as Laurel and Hardy and Abbot and Costello Pyro is a young dragon that lacks assurance and who depends entirely on his plump best friend to help him out Glucosina an inexperienced mini witch lacks the necessary maturity to assume this role But even though she might not possess all of the necessary skills quite yet she more than makes up for it with her rather determined mindset Essentially the two characters are simply maladjusted friends who discover that friendship and a solid sense of humor can usually compensate for almost any shortcoming The author Pyro runs away Claude Daigneault, 2013-01-10T00:00:00-05:00 Teach a child to read and you teach a child how to dream and open up to the rest of the Universe Les Frincekanoks Claude Daigneault, 2012-08-18T00:00:00-04:00 Ce titre m'a t rappel par mon s jour de deux ans et demi Toronto au d but des ann es 1960 Certains coll gues anglophones faisaient de l ironie en m appelant French Canuck C est ainsi que j ai francis ce terme pour en faire le titre de mon premier roman publi la fin de 1994 alors que se dessinait le deuxi me r f rendum Au d part le titre devait tre La musique du souvenir parce que la musique y joue un r le indispensable L histoire se d roule en 2099 Il ne reste Montr al qu une petite population de 2 389 francophones vivant dans une partie de la ville qui leur est consacr e prot g e par un d me qui voque la notion d une serre Lass d tre surprot g coups de drogues par l administration canadienne anglaise devenue immens ment majoritaire un petit groupe de survivants d cide de tenter le tout pour le tout et de recommencer vivre ailleurs loin de cet univers herm tique de ce bonheur impos Le livre a t crit dans un esprit caricatural et ironique soucieux de provoquer le rire Mais l humour de l un est souvent l enfer de l autre Si la critique francophone s est montr e r ceptive et a salu cet humour sarcastique la critique anglophone a d lir y voyant un parall le entre l antis mitisme en France et le s paratisme au Qu bec William Johnson dans une conf rence la Jewish Public Library de Westmount Il pr cisait Under the cover of futuristic fiction what is presented in this book is a paranoid fantasy that exploits every clich of Quebecers victimisation at the hands of the rest of Canada Gilles Crevier du Journal de Montr al pensait diff remment Claude Daigneault s amuse et nous amuse avec son roman humoristique L univers qu il a invent est parfaitement grotesque pour souligner traits forts et ironiques l effondrement d une soci t teinte distincte surveill e par la nouvelle GRC la Garde R volutionnaire Culturelle Marie
