Mr Delivery Man:

Mr. Asia: The Last Man Standing Jim Shepherd, 2010-06-01 Do not think for one instant that a life of crime is glamorous and exciting It is not It is a life of degradation dishonesty misery violence and loss of liberty It has been more than 30 years since the Mr Asia drug syndicate came apart when the handless toothless body of Martin Johnstone was found dumped in a quarry in England The members of the syndicate were responsible for a string of dead bodies all over the world and the importation of hundreds of kilograms of heroin and marijuana into Australia New Zealand and Britain and they made tens of millions of dollars doing it In this never before heard story from the only surviving member of the syndicate James Shepherd tells of Mr Asia s rise and fall in gritty horrifying detail This is not the flashy glamourised account put forward in Underbelly but raw unadulterated truth James Shepherd was named by the 1983 Stewart Royal Commission as second in charge of the Mr Asia Drug Syndicate and was given a 25 year sentence for his role The long years spent in jail contemplating the murder and misery caused by the syndicate convinced him that the full story needed to be told as a warning to others if nothing else The result is something unique as fascinating as it is horrifying It s the real insiders account of the multi million dollar kill or be killed world of our most notorious international drug syndicate **Administered Price and Market Price** ,1959

Administered Prices United States. Congress. Senate. Committee on the Judiciary.
