Getting Started

Get Started in Three Easy Steps

1. Set Up Your LEAPSTER² Handheld: Insert batteries in the battery compartment on the back of the handheld and close and secure the compartment door. Press the On/Off button and select your country code (code only required the first time). Create a profile for each child who will play with the handheld (it can store up to three profiles—pick a name that is easy to remember and can also be used for online profiles). Select a profile on the Player Select screen.

2. Install the LEAPFROG[®] Connect Application[™]: Insert the included CD-ROM into your computer and follow the instructions on the screen to install the application. An Internet connection is required.

3. Connect Online to Download Your Included Title: Turn on the handheld and connect it to your computer using the included USB cable. Choose a player profile in the LEAPSTER² view of the Connect Application. Follow the on-screen directions to select and download your child's game of choice. Disconnect the handheld from your computer for on-the-go play!

**If you already have the LEAPFROG Connect Application installed for another device, you will still need to insert the included CD-ROM to install your LEAPSTER² software. If the included CD-ROM doesn't work or is lost, go to leapfrog.com/gaming/leapster2 to download the application.*

Your LEAPSTER² Handheld

FOUR WAYS to Play!

The Main Menu on the LEAPSTER² handheld displays four icons for each of the ways to play. Select any activity from the Main Menu to access the following games and activities.

- 1 Cartridge Games**
Play any LEAPSTER² game by inserting a LEAPSTER cartridge into the slot.
- 2 Game Downloads**
Access included title game download or bonus game downloads.
- 3 Connect**
