Leaving Dirty Jersey A Crystal Meth Memoir:

Leaving Dirty Jersey James Salant, 2007-05-08 With his nickname Dirty Jersey tattooed on the inside of his left forearm James Salant wanted everyone to know he was a tough guy At the age of eighteen after one too many run ins with the cops for drug possession he left his upper middle class home in Princeton New Jersey for a stint at a rehab facility in Riverside California Instead of getting clean he spent his year there shooting crystal meth and living as a petty criminal among not so petty ones until a near psychotic episode among other things convinced him to clean up In stark prose infused with heartbreaking insight wicked humor and complete veracity Salant provides graphic descriptions of life on crystal meth the incredible sex drive the paranoia the cravings He details the slang the scams and the psychoses and weaves them into a narrative that is breathtakingly honest and authentic Salant grapples with his attraction to the thuggish life eschewing easy answers his parents both therapists were loving and supportive and his family s subtle dysfunctions typical of almost any American family Exploring the allure and effects of the least understood drug of our time Leaving Dirty Jersey is that rarity among memoirs a compulsively readable superbly told story that is shocking precisely because it could happen to almost anyone

Leaving Dirty Jersey James Salant, 2008-04-22 Written with heartbreaking insight and wicked humor Leaving Dirty Jersey chronicles Salant s descent from wealth and privilege into a year of crystal meth addiction and crime

Tweak Nic Sheff,2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control But control was something I d lost a long time ago Nic Sheff was drunk for the first time at age 11 In the years that followed he would regularly smoke pot do cocaine and ecstasy and develop addictions to crystal meth and heroin Even so he felt like he would always be able to quit and put his life together whenever he needed to It took a violent relapse one summer to convince him otherwise In a voice that is raw and honest Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery He paints an extraordinary picture for us of a person at odds with his past with his family with his substances and with himself Tweak is a raw harrowing and ultimately hopeful tale of the road from relapse to recovery and complements his father s parallel memoir Beautiful Boy Praise for Nic Sheff Difficult to read and impossible to put down Chicago Tribune Nic Sheff s wrenching tale is told with electrifying honesty and insight Armistead Maupin

Tweaked Patrick Moore,2006-06-01 There are moments when I suddenly realize that I m a nice boy from Iowa who is entirely comfortable sitting in a room of freaks So begins Patrick Moore s unforgettable account of life as a crystal meth addict a tweaker Like a wild ride down Alice s rabbit hole with a guide who is darkly funny and heartbreakingly honest Tweaked chronicles a twenty year trip that stretches from Moore s lonely childhood in Iowa with his grandmother Zelma an alcoholic artist who when loaded turns frozen food into crafts projects to the day he sits naked in a Los Angeles rental hallucinating about psycho robbers while talking to a possum he s sure is God Along the way there are acid trips at the V F W Dexetrim study halls with his Bad Girl Posse in the seventies teeth grinding nights of dancing and anonymous sex in New York City s hottest eighties clubs taking pictures of Andy Warhol losing friends and lovers and navigating a Byzantine underworld of cookers users club kids dealers and colorful characters as intense as the drug itself There is Lee the glamorous outr bad boy with a devastating wit and a taste for danger Tony the tweaker who likes to remove his eyebrows

Ding Dong the Depends wearing nearly blind housemate Hisako the artist and squatter with an impenetrable Japanese accent and a fondness for hot plate cooking Mother Judy the tough butch rehab counselor who takes no prisoners and countless others on the road from crystal meth hell to eventual sobriety Candid gripping and ultimately triumphant Tweaked is that rarest of memoirs a tale so vivid and personal in the telling it feels like fiction but every word is true **Paranoia** Stephen Mucci,2014-04 Have you ever wondered what it s like living in the dark underworld of meth addiction Come along to see for yourself the disturbing dangerous and bizarre day to day life of a full blown meth addict You will find there is no glamour or glitz in the meth world This ride starts out with what seems like harmless experimentation but rapidly deteriorates into a wild and uncontrollable freefall into the brink of insanity complete financial mental and spiritual bankruptcy and several nearly deadly encounters You will be shocked and amazed by this addict s rapid and profound regression from a stable life long family and career man to a chaotic and twisted existence in a series of barricaded hotel rooms strip clubs drug houses hospital emergency rooms local jails and finally state prison However this story is not all doom and gloom You will learn there is hope and the possibility of full recovery for even the most desperately addicted meth abuser This book is a must read for anyone who is even thinking about using meth anyone currently experimenting with meth or anyone now fully addicted to meth and their families **Meth a Memoir** Wayne Huffman,2012-12-01 Meth a Memoir is both raw and disturbing Written from within the confines of prison walls the author gives an unflinching look at a life surrounded by drugs and drug use It is a no holds barred no feelings spared story that drags you kicking and screaming through the inner realms of the meth world As an addict and meth cook the author knows that there are aspects to the meth lifestyle that can only be understood by experiencing it for yourself To help you understand this sub culture and those who call that world home the author will take you into the meth world as no one else has ever done before Everyone in America is affected by meth in one way or another That simple fact makes this book a MUST READ *Flying Free* Christine Hamm,2016-06-19 A dark memoir of an addict who was addicted to everything especially if it meant it was going to kill her in the end Booze weed cocaine and every party drug you can imagine were her daily go to s but then she found the true love of her life and her ultimate demise Crystal Meth Meth was the dirtiest drug she had ever taken both inside and out It s a low grade drug also known as poor man s cocaine that ravaged her mind body and soul like nothing else ever could She could feel herself changing morphing into something ugly The goodness of her heart and the compassion of her soul began to melt away like skin off the bone After four years on the drug and at 29 years of age she felt like a senior citizen Her bones ached from disintegration her organs were going into failure and she had been given four years to live She couldn t smile anymore hadn t smiled in months and was horrified by her reflection It was like looking into the face of an emaciated demon who s only desire was to kill and be killed The story plunges deep into the rabbit hole of violence unsavoury characters she meets along the way and ultimately becomes the monster she swore she would never become As a child she had a long list of thing she would never do when her addiction got

through with her there was almost nothing left on that list Her goal was to be free and happy instead she got locked into a cage of internal prison grappled and maimed by the mangy claws of addiction and its cunning baffling and powerful ways As a manipulative lying junkie who was living with an abusive meth supplier Christine never thought she'd get out alive at least that's what she was hoping for but then the day of redemption came A true fork in the road Was she going to kill the man who had lost her snake Bella the one pure and good thing she had left in her life and happily go to jail knowing that justice had been served or was she going to go to detox where a bed and a new life was waiting for her She had the most important decision of her life in front of her life or death Death was easy after all she had been choosing death drugs and dying for over 15 years but life What would that look like Who would she be on the other side of that decision Did she want to live or even have anything to live for Special features of this book A detailed account of what meth is what's in it how Christine did it and the long term damage How abuse and the sexual assault changed her A chapter specifically for parents who have a child lost in addiction How to cope what to do and reassurance that it's not your fault How faith in a Higher Power meetings a sponsor and the 12 Steps changed her life Exclusive to this book a never seen before look into the mind voice and ravaging nature of her addiction Christine has many gifts and rewards in her life today but would it surprise you to know that after 10 years of clean time her life can be almost as challenging as when she was in active addiction She is now faced with the raw real nature of life on life's terms with nothing to hide behind anymore Will she make it another day or is there a chance she could go back to her old ways to numb the pain

Crystal Clean Kimberly Wollenburg, 2012-12-12 There are precious few things in this life of which I am certain One is the love I have for my son Andy The other thing of which I am certain is this no one wants to be an addict from the book Here's what readers have to say Kim's writing style is clear lucid revealing and on a par with the best of skilled non-fiction authors Thor Heyerdahl Thomas Thompson even James Michener or my favorite Jan de Hartog and she is able to make the reader relive her addictions all of them to the point that I HAD to put the book down several times and detox myself or at least breathe normally before I could return to it I've never felt so much inside the skin of someone who is going through the horror of addiction as when reading this biography Kim has cleansed her soul by once again facing the demons of her past and I can only imagine how much strength it took for her to reopen her wounds and recount them one by one *Crystal Clean* is a book I couldn't put down about an amazing woman who was once completely immersed in the world of crystal meth If you didn't know that she made it through the other side because she is telling her own story you might not believe she will come out of it alive Kim lays out her life story with memories that help show her state of mind as she started using different drugs and then meth But it's not a woe is me story and she doesn't dwell on the bad things that contributed to her mental state It is ultimately a story about how a mother's love can overcome the terrible odds associated with this addiction This is a well-written entertaining book The author's style is light even when the subject is not It would have been easy to simply write about the misery that must come with Meth addiction Instead the

author gives insight into her background and motivations You can't help but root for the author as she describes her descent into drug addiction hell even though she is responsible for all her choices Being a mom of a special needs son only child and struggling to be everything to that child while barely hanging on yourself is such a familiar story to me While reading this book it hit home so much I had to stop reading it for moments at a time So real and writing was so descriptive I had to separate her feelings from my own in some regard Thank you for opening up to your readers and trusting us with your story I picture you kind of like a female Rocky winning in the end Can't help but root for you and Andy What an insightful and bravely written book What Kim has shared is an amazingly helpful understanding to anyone who has been touched by the outreaching fingers of meth addiction and mental illness And to those who haven't a good reminder that not everyone or everything is as it may seem A beautiful memoir about one mom's struggle with her lot in life and how she chose to deal with it using illegal drugs It's told in a brave clear manner with no careful wording I loved reading more about Andy and was absolutely rooting for Wollenburg through it all At first you don't understand Kim Then you love her Kim illustrates with graphic detail and genuine emotion the pain of addiction as well as the sometimes circuitous path to recovery This book is extremely well written I wish I lived next door to this courageous mother daughter and woman of worth CRYSTAL CLEAN A mother's struggle with meth addiction and recovery is an honest and transparent look at the world of meth addiction and recovery As a reader I was swallowed up into this world of addiction pain anger and fear Many times I wanted out I wanted to skip to the end of the book and be assured that this young woman was going to be okay I applaud the author for her obvious courage in sharing her story and exposing her pain and allowing herself to be so vulnerable The author's writing is superb strong imagery and an authentic

Stars, Cars and Crystal Meth Jack Sutherland, 2016-03-15 Jack Sutherland the narrator and protagonist of this memoir has you might say led a charmed life in the face of seeming damnation A confirmed alcoholic in his early teens by his twenties he was PA and bodyguard to the Hollywood stars most notably Michael Stipe Ru Paul and Mickey Rourke His work took him to exotic destinations around the world and bizarre encounters and requests It also led him back to a smorgasbord of lethal addictions alcohol marijuana ecstasy and perhaps most damaging of all crystal meth and the crazed chem sex that characterises its use On the shores of death's coastline a nine stone skeleton in a frame that once boasted the shape and tone of a bodybuilder Jack is saved By his father one of the literary world's most esteemed personalities John Sutherland A son's memoir told through the prism and prose of a father will surely take its place among the classics of contemporary addiction and recovery stories like *A Portrait of an Addict as a Young Man* and *Another Bullshit Night in Suck City* *Stars Cars Crystal Meth* lifts the lid on the shadow world of the Hollywood PA with grim but ultimately inspiring honesty
