Conference, 1954 **A Women's Lectionary for the Whole Church Year** a Wilda C Gafney, 2024-01-30 What would it look like if women built a lectionary focusing on women s stories What does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news How would a lectionary centering women s stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching The scriptures are androcentric male focused as is the lectionary that is dependent upon them As a result many congregants know only the biblical men s stories told in the Sunday lectionary read in their churches A more expansive more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women s stories in the scriptures A Women s Lectionary for the Whole Church when completed will be a three year lectionary accompanied by a stand alone single year lectionary Year W that covers all four gospels Year A features the Gospel of Matthew with John interwoven as is the case in the Revised Common Lectionary RCL and Episcopal Lectionary
