Sassanid Empire and his many client kings have long believed Rome's eastern holdings to be theirs by ancestral right and those lands have never been more vulnerable. Thus Valens must grasp at the slimmest of hopes that a Persian invasion can be staved off not by the brute force of absent legions but by the tenacity of a hardy few. For in the heart of enemy lands something thought long lost might just offer salvation. When Optio Numerius Vitellius Pavo and a select group of the XI Claudia are summoned to the Persian front they leave Thracia behind knowing little of what awaits them. They know only that they are to march into a burning land of strange gods. They whisper tales of the mighty Persian Savaran cavalry and pray to Mithras they will see their homes and families again. All too soon it becomes clear to them that this is no ordinary mission indeed the very fate of the empire might rest upon their efforts. But for Pavo the burden is weightier still for he knows that the east also holds something even more precious to him the truth about his father.

*Legionary VII: The Blood Road* Gordon Doherty, 2018-07-10

381 AD The Gothic War draws to a brutal climax and the victor's name will be written in blood. The great struggle between the Eastern Roman Empire and the Gothic Horde rumbles into its fifth year. It seems that there can be no end to the conflict for although the Goths are masters of the land they cannot topple the last of the imperial cities. But heralds bring news that might change it all. Emperor Gratian readies to lead his Western legions into the fray to turn matters on their head to crush the horde and save the East. The men of the XI Claudia legion long for their homeland's salvation but Tribunus Pavo knows these hopes drip with danger. For he and his soldiers are Gratian's quarry as much as any Goth. The road ahead will be fraught with broken oaths, enemy blades and tides of blood.

The Danubian frontier is weaker than ever and a storm is gathering in the north. Deep winter 376 AD Emperor Valens has withdrawn the field armies from Moesia and

Thracia to fight in the Persian War The impoverished limitanei legions left behind to defend the banks of the River Danubius are now all that stand between the war hungry Goths and heart of the Eastern Roman Empire For Numerius Vitellius Pavo and the men of the XI Claudia the brief from Emperor Valens is simple to avoid war with the Goths at all costs while the Roman defences are so weak But in the frozen lands north of the Danubius a dark legend thought long dead has risen again The name is on the lips of every warrior in Gutthiuda the one who will unite the tribes the one whose armies will march upon the empire the one who will bathe in Roman blood The Viper      **Empire of Shades** Gordon Doherty, 2017 379 AD Thracia has fallen to the Gothic horde With the ashes of Adrianople still swirling in the air the Eastern Roman Empire is in turmoil The emperor is dead the throne lies empty and the remaining fragments of the army are few and scattered Numerius Vitellius Pavo now Tribunus of the XI Claudia tries to hold his patchwork ranks together amidst the storm One of the few legions to have survived the disaster at Adrianople the Claudia do what they can to keep alive the dying flame of hope When word spreads of a new Eastern Emperor those hopes rise But the coming of this leader will stir the Gothic War to new heights And it will cast Pavo headlong into the sights of the one responsible for the East's plight a man mighty and seemingly untouchable and one who will surely crush any who dares to challenge him From the ashes of Adrianople new heroes will rise with dark ghosts in close pursuit      **The Legionary [catalog]** Legionary (Firm), 1983      *Legionary X: Devotio* Gordon Doherty, 2025-03-27 AD 391 in the aftermath of civil war the Roman Empire lies broken The emperor is missing Rumours fly that he has lost his mind Sensing weakness the Goths rise in revolt All to the delight of the dark hand who orchestrated the civil war and plots to stoke another Far out at sea Pavo stands watchfully at the prow of the Justitia running cargo between distant lands At every port he hears of the empire's swelling troubles Of fire and zeal and panic Of legions bristling for battle But his days of protecting the provinces with sword and shield are over He his wife and his lad will soon have enough funds to make a home on a quiet island far from the madness Yet the empire is an ever hungry beast and Pavo is about to sail straight into its jaws It is a journey that will take him to the brink and throw down before him the question to which there is only one answer what would you sacrifice to save your loved ones Blood treachery reckless heroism justice honour This story has it all      **Legionary VIII: Dark Eagle** Gordon Doherty, 2020-02-05 What hope has one forgotten soldier of bringing an emperor to justice Winter 382 AD The Gothic War is over After years of bloodshed the Eastern Roman Empire and the Goths have struck a deal for peace Imperial heralds crow about the treaty as if it were a triumph Feasts and celebrations take place across the Eastern provinces Every hero of the war is honoured and acclaimed except one Tribunus Pavo languishes in exile haunted by a dark truth that it was Gratian Emperor of the West the most powerful man alive who caused the war and manipulated its every turn Tormented by memories of loved ones lost during the great conflict one word tolls endlessly through Pavo's mind Justice But in this great game of empire justice rarely comes without a grave cost
