Leica C Digital Camera Manual:

Photographer's Guide to the Leica C-Lux Alexander S. White, 2018-12-14 Photographer's Guide to the Leica C Lux is a complete guide to the use of the Leica C Lux camera. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the C Lux. The book explains the use of autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, and many other settings. The book discusses the camera's options for playback setup and customizing the operation of its controls. The book contains more than 480 color photographs showing the camera's controls, display screens, and menus. The book includes photographs taken using the many creative settings of the camera, including the Photo Style settings, the Creative Control mode, picture effects, which provide the ability to customize the appearance of images in dramatic ways, and the camera's features for burst shooting and shooting in high contrast lighting conditions. The book explains how to use the C Lux's innovative features such as Light Composition and Sequence Composition, which enable the creation of multiple exposures of scenes with bright flashes, such as fireworks or motions such as sports events. The book includes a full discussion of the video recording abilities of the C Lux camera, which offers manual control of exposure and focus during movie recording and provides ultra-high definition 4K recording of motion pictures. The book also explains the camera's features for extracting still images from 4K video and using the Post Focus feature to select a sharply focused image after a shooting session. In three appendices, the book discusses accessories for the C Lux, including cases, power supply options, and other items, and includes a list of websites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible. *The Big Issue, Cape Town*, 2006 *The British Journal of Photography*, 2008
