*Martin Guitars: 1833-1969* - By Greig Hutton with Forewords by Dick Boak, George Gruhn, and Joe Spann Greig Hutton, 2022-10-05 Book It is now more than 40 years since Mike Longworth published his seminal book on the Martin Guitar Company. It was Mike's book that stirred Greig Hutton's original interest in Martin guitars and it put him on the path to seeking more information and insights. *Martin Guitars A History* became the first of a long list of books that have continuously expanded the information available for the Martin instruments. This book will not just recapitulate previous research; rather, it will build on earlier work while filling in gaps using source documents as well as collating new information into tables and diagrams for ease of use. Although broadly based on a number of previous publications, none of this information was incorporated into the book without direct comparison to the source archival documents. There is certainly no one else on the planet that knows as much about the history of Martin guitars as Greig does, and I personally thank him for sharing his knowledge with those of us who are anxiously waiting to receive it. Dick Boak      **Martin Guitars** Richard Johnston, Dick Boak, 2008 A Martin acoustic guitar is the beloved instrument of millions of fans and famous players worldwide. Starting with the early days in New York circa 1833, this fabled story comes to life in the long-awaited revision of the seminal *Martin History* book. Originally published in 1975, this new edition is completely updated and re-designed by well-known industry experts. Part of a two-book set, *The History Book 1* covers the people, the places, and the stories of an American icon. Richly illustrated, this book covers the story right up to the fifth-generation president, Chris Martin IV. Because the original and revision authors had complete access to authorized archives, this version is the most accurate and detailed reference on the topic. Leading up to the re-vitalization of the 1990s and the remarkable sustenance of its legacy, hundreds of photographs and documents effectively show the people and the guitars that made the company famous. Publisher information      **Martin guitars** Mike Longworth, 1975      *The Martin Book* Walter Carter, 2006 Here is the story behind the renowned C.F. Martin Co., the American guitar maker that has built some of the finest acoustic guitars in the world for almost two centuries. This book details virtually every Martin guitar produced right up to the present, including 2004's one-millionth guitar. More than 100 color photos show Martin's designs, which have heavily influenced acoustic guitar manufacturers.      **Martin Guitars** Mike Longworth, 1975      **Guitar Identification** A. R.
