### **The LEGO BOOST Expert Book**

Bjö Bundschuh, 2019-07-18 Lego Boost is a great set for kids teens and adults to experience the fun of programming and learn serious skills during play The full scope of functionalities and possibilities of the Boost Set are often underestimated Most users only build the models included in the set and experiment with some very simple designs This book is to show the full potential of the Boost Set Based on six new models some special building blocks and programming techniques are explained The description of each model is structured into the chapters Build Code and Play

- 1 Ball Booster Automated ball path contraption using the color sensor and a catapult
- 2 Bob It Booster Party Game with score counter to show all sensoric functions
- 3 Weight Booster Automated beam balance based on the tilt sensor
- 4 Boost Writer Vehicle for writing drawing and copying
- 5 Egg Booster Multi Color drawings on chicken eggs even beyond Easter break
- 6 Cube Booster Device to solve the Rubix Cube

Following the simple concept of the original Boost Set the book avoids theoretical explanations In addition to detailed step by step building instructions all programs are described in detail and every programming block is specifically explained The Play chapters inspire to own experiments and further development of the code and models Especially with the writing and Cube Solving models the book can prove that there is not much of a gap between the Boost Set and the more expensive Mindstorms Set Especially with the writing and Cube Solving models the book can show that there is not much of a gap between the Boost Set and the more expensive Mindstorms Set Five of the six Sets can be built with just the pieces included in the original Boost Set 17101 Only one set needs two extra bricks These extra bricks are included in the Set Arctic Explorer 60194 or can be bought separately This 130 page book provides many hours of fun and learning experiences for kids teens and adults Starting from large builds and simple programs it ranges to the complex automatic solving of a Rubix Cube
