The Colt .45 Automatic Jerry Kuhnhausen, 1986 *The Colt Double Action Revolvers* Jerry Kuhnhausen, 1988

American Gunfight Stephen Hunter, John Bainbridge, 2005-11-02 A fast paced definitive and breathtakingly suspenseful account of an extraordinary historical event the attempted assassination of President Harry Truman in 1950 by two Puerto Rican Nationalists and the bloody shoot out in the streets of Washington DC that saved the president's life Written by Pulitzer Prize winner and New York Times bestselling novelist Stephen Hunter and John Bainbridge Jr an experienced journalist and lawyer *American Gunfight* is at once a groundbreaking work of meticulous historical research and the vivid and dramatically told story of an act of terrorism that almost succeeded They have pieced together at last the story of the conspiracy that nearly doomed the president and how a few good men ordinary guys who were willing to risk their lives in the line of duty stopped it It begins on November 1 1950 an unseasonably hot afternoon in the sleepy capital At 2 00 P M in his temporary residence at Blair House the president of the United States takes a nap At 2 20 P M two men approach Blair House from different directions Oscar Collazo a respected metal polisher and family man and Griselio Torresola an unemployed salesman don't look dangerous not in their new suits and hats not in their calm purposeful demeanor not in their slow unexcited approach What the three White House policemen and one Secret Service agent cannot guess is that under each man's coat is a 9mm automatic pistol and in each head a dream of assassin's glory At point blank range Collazo and then Torresola draw and fire and move toward the president of the United States Hunter and Bainbridge tell the story of that November day with narrative power and careful attention to detail They are the first to report on the inner workings of this conspiracy they examine the forces that led the perpetrators to conceive the plot The authors also tell the story of the men themselves from their youth and the worlds in which they grew up to the women they loved and who loved them to the moment the gunfire erupted Their telling commemorates heroism the quiet commitment to duty that in some moments of crisis sees some people through an ordeal even at the expense of their lives
