Jesus Without Borders Majority World Theology:

Jesus Without Borders Gene L. Green, Stephen T. Pardue, Khiok-Khng Yeo, 2015 Though the makeup of the church worldwide has undeniably shifted south and east over the past few decades very few theological resources have taken account of these changes Jesus without Borders the first volume in the emerging Majority World Theology series begins to remedy that lack bringing together select theologians and biblical scholars from various parts of the world to discuss the significance of Jesus in their respective contexts Offering an excellent glimpse of contemporary global evangelical dialogue on the person and work of Jesus this volume epitomizes the best Christian thinking from the Majority World in relation to Western Christian tradition and Scripture The contributors engage throughout with historic Christian confessions especially the Creed of Chalcedon and unpack their continuing relevance for Christian teaching about Jesus today c From publisher s description

Christian Mission, Contextual Theology, Prophetic Dialogue Irvin, Dale T., Phan, Peter C., 2018-12-20 While the intent of the editors is to honor Steve Bevans SVD a towering figure in the field of missiology and a longtime author of Orbis books on missiology this book will be designed less as a festschrift than as a textbook for classroom use Designed around the three main foci of Bevans theology mission contextual theologies and dialogical theory it will appeal to teachers of courses in Christian mission theological method contextual theologies and contemporary Third World theologies The contributors are a who s who of contemporary mission studies in a global context including representatives from various Christian traditions and from throughout the global church

Why Evangelical

Theology Needs the Global Church Stephen T. Pardue, 2023-08-22 Christianity Today 2024 Award of Merit Missions Global Church Christian theologians and students are aware that evangelicals in the Majority World now outnumber those in North America and Europe and many want to know more about emerging voices in the global church At the same time these voices are largely absent from Western evangelical theology Stephen Pardue seeks to bridge this divide by arguing biblically and theologically that it is imperative for Western evangelical theology to engage with the global church and he provides examples of how this can be done Case studies throughout the book illustrate opportunities for fruitful engagement with non Western theology in various areas of Christian doctrine Readers will be given an introduction to the riches available within the worldwide body of Christ and learn how to engage productively with the global church **Biblical Interpretation and African Traditional Religion** Helen C.
