The New Chinese Documentary Film Movement Chris Berry, Lu Xinyu, Lisa Rofel, 2010-06-01 The New Chinese Documentary Film Movement is a groundbreaking project unveiling recent documentary film work that has transformed visual culture in China and brought new immediacy along with a broader base of participation to Chinese media. As a foundational text, this volume provides a much needed introduction to the topic of Chinese documentary film, the signature mode of contemporary Chinese visual culture. These essays examine how documentary filmmakers have opened up a unique new space of social commentary and critique in an era of rapid social changes amid globalization and marketization. The essays cover topics ranging from cruelty in documentary to the representation of Beijing gay, lesbian, and queer documentary sound in documentary, the exhibition context in China, authorial intervention and subjectivity, and the distinctive on-the-spot aesthetics of contemporary Chinese documentary. This volume will be critical reading for scholars in disciplines ranging from film and media studies to Chinese studies and Asian studies. **Release Print**, 2001 **Proceedings**, 1985

The Documentary Film Makers Handbook Genevieve Jolliffe, Andrew Zinnes, 2006-11-14 Documentary films have enjoyed a huge resurgence over the last few years and there's a new generation of filmmakers wanting to get involved. In addition, the digital revolution has made documentaries even more accessible to the general filmmaker. Documentary films can now be shot professionally using cheaper equipment and smaller cameras enable the documentarian to be less intrusive and therefore more intimate in the subject's lives. With an increasing number of documentaries making it to the big screen and enjoying ongoing sales on DVD, the time is right for an information-packed handbook that will guide new filmmakers towards potential artistic and commercial success. The Documentary Film Makers Handbook features incisive and helpful interviews with dozens of industry professionals on subjects as diverse as interview techniques, the NBC News Archive, music rights, setting up your own company, the Film Arts Foundation, pitching your proposal, the Sundance Documentary Fund, the Documentary Channel, the British Film Council, camera hire, filmmaking ethics, working with kids, editing your documentary, and DVD distribution. The book also includes in-depth case studies of some of the most successful and acclaimed documentary films of recent years, including *Mad Hot Ballroom*, *Born Into Brothels*, *Touching the Void*, *Beneath the Veil*, and *Amandla*. The Documentary Film Makers Handbook will be an essential resource for anyone who wants to know more about breaking into this exciting field.
