Missing Time Italian Edition:

Time Briton Hadden, Henry Robinson Luce, 1925 Reels for 1973 include Time index 1973 *Rabbinical Literature in Yiddish and Ladino* Katja Šmid, David Bunis, Chava Turniansky, 2025-11-03 The volume offers a broad introduction to the rabbinical literature written in the two major traditional Jewish languages of Europe Yiddish the language of the Ashkenazic Jews of Eastern Europe and Ladino or Judezmo or Judeo Spanish the language of the Sephardic Jews of the Ottoman Empire and its successor states Italy and the Austro Hungarian Empire The scope is wide ranging Some of the contributions highlight the lives and work of outstanding rabbinical figures who wrote in Yiddish or Ladino and the crucial role they played in the transmission of rabbinical knowledge among the more popular sectors of their communities as well as in the shaping of the Yiddish and Ladino reading public Close attention is paid to long established genres such as the highly popular Biblical commentaries as exemplified by Me am lo ez in Ladino 1730 1899 prayer books and liturgical compositions in prose and verse responsa collections guides to religious observance moralistic works as well as modern genres having rabbinic content such as the periodical press that began to appear in the second half of the nineteenth century when the Jewish communities of the Diaspora underwent radical cultural religious social and political changes **Linguistic and Cultural**

Representation in Audiovisual Translation Irene Ranzato, Serenella Zanotti, 2018-03-19 This collection of essays offers a multi faceted exploration of audiovisual translation both as a means of intercultural exchange and as a lens through which linguistic and cultural representations are negotiated and shaped Examining case studies from a variety of media including film television and video games the volume focuses on different modes of audiovisual translation including subtitling and dubbing and the representations of linguistic and stylistic features cultural mores gender and the translation process itself embedded within them The book also meditates on issues regarding accessibility a growing concern in audiovisual translation research Rooted in the most up to date issues in both audiovisual translation and media culture today this volume is essential reading for students and scholars in translation studies film studies television studies video game studies and media studies MLN, 1900 Provides image and full text online access to back issues Consult the online table of contents for specific holdings *The Smith College Monthly*, 1902 Fixing Babel Rebecca Shapiro, 2016-12-02 We all think we know what a dictionary is for and how to use one so most of us skip the first pages the front matter and go right to the words we wish to look up Yet dictionary users have not always known how English works and my book reproduces and examines for the first time important texts in which seventeenth and eighteenth century dictionary authors explain choices and promote ideas to readers their end users Unlike French Spanish and Italian dictionaries compiled during this time and published by national academies the goal of English dictionaries was usually not to purify the language though some writers did attempt to regularize it Instead English lexicographers aimed to teach practical ways for their users to learn English improve their language skills even transcend their social class The anthology strives to be comprehensive in its coverage of the first phase

of this tradition from the early seventeenth century from Robert Cawdrey's 1604 *A Table Alphabeticall* to Samuel Johnson's *Dictionary of the English Language* 1755 and finally to Noah Webster's *An American Dictionary of the English Language* 1828. The book puts English dictionaries in historical national linguistic literary cultural contexts presenting lexicographical trends and the change in the English language over two centuries and examines how writers attempted to control it by appealing to various pedagogical and legal authorities. Moreover, the development of dictionary and attempts to codify English language and grammar coincided with the arc of the British Empire; the promulgation of proper English has been a subject of debate and inquiry for centuries and in part dictionaries and the teaching of English historically have been used to present and support ideas about what is correct regardless of how and where English is actually used. The authors who wrote these texts apply ideas about capitalism, nationalism, sex, and social status to favor one language theory over another. I show how dictionaries are not neutral documents; they challenge or promote biases. The book presents and analyzes the history of lexicography, demonstrating how and why dictionaries evolved into the reference books we now often take for granted, and we can see that there is no easy answer to the question of who owns English.

 Bibliography of Italian studies in America in each number 1924-1948 **Chief Contemporary Dramatists ...** Thomas H. Dickinson, 1915 **The American Penman**, 1926 *The Final Film of Laurel and Hardy* Norbert Aping, 2014-01-10

The remarkable story behind the planning, development, and marketing of Laurel and Hardy's ill-received final film *Atoll K* has been little explored. Details on the script development, cast, crew, locations, and even basic information on running times and release dates have been sketchy at best since the film's 1951 release. This work reconstructs the circumstances surrounding this unusual international co-production. *Atoll K* was a French-Italian film with English-speaking stars. Through lost documents detailing the film's production and funding, previously unreleased behind-the-scenes photos, and a rare interview with French movie star Suzy Delair, the author explores the continuous changes to the film's script during its chaotic production and the final marketing of the film's many different versions. *Atoll K* was also released as *Robinson Crusoe* in the United Kingdom and as *Utopia* in the United States. Several appendices detail alternative sequences and cut scenes in various versions of the film and include French box office reports from 1951 to 1952 as well as a complete filmography.
