**Approaches to Gone With the Wind** James A. Crank,2015-12-14 Since its publication in 1936 *Gone with the Wind* has held a unique position in American cultural memory both for its particular vision of the American South in the age of the Civil War and for its often controversial portrayals of race gender and class *New Approaches to Gone with the Wind* offers neither apology nor rehabilitation for the novel and its Oscar winning film adaptation Instead the nine essays provide distinct compelling insights that challenge and complicate conventional associations Racial and sexual identity form a cornerstone of the collection Mark C Jerng and Charlene Regeister each examine Margaret Mitchell s reframing of traditional racial identities and the impact on audience sympathy and engagement Jessica Sims mines Mitchell s depiction of childbirth for what it reveals about changing ideas of femininity in a postplantation economy while Deborah Barker explores transgressive sexuality in the film version by comparing it to the depiction of rape in D W Griffith s earlier silent classic *Birth of a Nation* Other essays position the novel and film within the context of their legacy and their impact on national and international audiences Amy Clukey and James Crank inspect the reception of *Gone with the Wind* by Irish critics and gay communities respectively Daniel Cross Turner Keaghan Turner and Rich Richardson consider its aesthetic impact and mythology and the ways that contemporary writers and artists such as Natasha Trethewey and Kara Walker have engaged with the work Finally Helen Taylor sums up the pervading influence that *Gone with the Wind* continues to exert on audiences in both America and

Britain Through an emphasis on intertextuality sexuality and questions of audience and identity these essayists deepen the ongoing conversation about the cultural impact and influence of this monumental work Flawed in many ways yet successful beyond its time *Gone with the Wind* remains a touchstone in southern studies *Playtime Rompers to Knit* Jessica Anderson,2022-06-15 Knitted rompers are perfect for playtime and photo ops Jessica Anderson has outdone herself with these 25 patterns for the most adorable baby rompers you will ever see in characters and animals including a giraffe elephant pumpkin and ballerina as well as colorful and striped designs for everyday wear These outfits are both comfortable for baby and practical easy to take on and off for the busy parent Patterns for two special rompers for your child s favorite doll are also included Presented in an easy to follow format you can start with a basic romper and then learn to add stripes bum pockets and hoods Take it to the next level and add ears tails and other embellishments for a variety of animal designs All instructions are clear and concise so even a novice knitter can complete these rompers with ease The only question is which one will you knit first *Forest, Field, and Fallow* Antoinette M.G.A. WinklerPrins,Kent Mathewson,2021-01-12 This volume aims to present the essential work of geographer and historical ecologist William M Denevan to explain the impact and influence his thinking had on the conceptual advancement not only in his own discipline but in a range of related disciplines such as anthropology archaeology and environmental history The book is organized around eight themes demonstrating Denevan s early and profound insights on topics that remain of current relevance today and the scholarly impact his writing had on subsequent scholarship The book is unique because it offers commentary from active scholars who address the impacts of Prof Denevan s thinking and work on contemporary environmental and ecological issues with a focus on several groundbreaking themes e g historical demography agricultural landforms cultural plant geography human environmental impacts indigenous agro ecology tropical agriculture livestock and landscape and synthetic contributions This book will be of interest to a range of scholars in geography anthropology archaeology history and ecology as well as to environmental managers and practitioners especially those working for non profit organizations and government organizations tasked with finding ways to adapt to global environmental change *Speed Mating* Jessica Sims,2013

*Subjects and Simulations* Anne O'Byrne,Hugh J. Silverman,2014-11-05 *Subjects and Simulations* presents essays focused on suffering and sublimity representation and subjectivity and the relation of truth and appearance in the twenty first century Inspired by the work of Jean Baudrillard Philippe Lacoue Labarthe and JeanLuc Nancy sixteen authors study how the real reasserts itself in an age of every more fragmented media and how art and literature give us access to forms of truth that elude philosophy How does representation grant us access to the place once occupied by the subject Is political life possible Can plural thinking be retrieved Will metaphor and simulation give us ways of being in an evanescent world The volume engages discussions of French and Continental philosophy post structuralism deconstruction simulacra aesthetics existentialism and media theory **Conflict, Democratization, and the Kurds in the Middle East** David

Romano, Mehmet Gurses, 2014-08-13 In Turkey Iran Iraq and Syria central governments historically pursued mono nationalist ideologies and repressed Kurdish identity As evidenced by much unrest and a great many Kurdish revolts in all these states since the 1920s however the Kurds manifested strong resistance towards ethnic chauvinism What sorts of authoritarian state policies have Turkey Iraq Iran and Syria relied on to contain the Kurds over the years Can meaningful democratization and liberalization in any of these states occur without a fundamental change vis vis their Kurdish minorities To what extent does the Kurdish issue function as both a barrier and key to democratization in four of the most important states of the Middle East While many commentators on the Middle East stress the importance of resolving the Arab Israeli dispute for achieving peace in the Middle East this book asks whether or not the often overlooked Kurdish issue may constitute a more important fulcrum for change in the region especially in light of the Arab Spring and recent changes in Turkey Iraq Iran and Syria

**Spider's Trap** Jennifer Estep, 2015-07-28 The next thrilling book in Jennifer Estep's New York Times and USA TODAY bestselling Elemental Assassin series an extraordinary series One of the most intriguing heroines in the genre Romantic Times Book Reviews Keep your friends close but your enemies within stabbing distance One important lesson I've learned in the assassination business is that to be the best you have to roll with the punches Now that I'm queen of Ashland's underworld by default not by choice a lot more punches are being thrown my way But I suppose that's the price of victory for taking down some of the underworld's top dogs Good thing I have my Ice and Stone magic to help me survive my volatile new position Just when I think things are finally settling down someone tries to murder me during a hush hush underworld meeting But the real surprise is how strangely familiar my shadowy assailant seems to be My job is to maintain order among killers crooks and thieves and soon I'm embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all My enemies have all sharpened their knives and laid their traps waiting for me to fall But this Spider weaves her own webs of death
