Gene Wilkes, Foreword By Calvin Miller, 2008-01-01 Discovering the secrets of SERVANT LEADERSHIP from THE LIFE OF CHRIST Jesus on Leadership a must read This book is most inspiring and practical I'm pleased to recommend it William Mitchell author of Building Strong Families Founder of Power of Positive Students Read at your own risk Gene Wilkes may change your whole view of leadership This refreshing book deserves top priority on your reading list I predict it will be around for a long time Lynn Anderson president Hope Network Ministries and author of They Smell Like Sheep Biblical Leadership for the Twenty First Century What Gene Wilkes says is right on target at delivering a corrective for so much of what we see masquerading as Christian leadership Don't read this book if you are unwilling to be challenged or even changed Reggie McNeal director of leadership development South Carolina Baptist Convention **The Servant-Leadership Style of Jesus** Dale Roach, 2016-03-10 Have you ever thought about the leadership style of Jesus Christ There has never been anyone who has had an influence on the world the same as Jesus He began His ministry with a small group of men who He equipped to change the world Jesus's strategy of leading did not focus on prestige wealth power or force The plan of Jesus from the start of His ministry was to be a servant leader The servant leadership style of Jesus is a strategy that will benefit any organization business charity group or congregation *Leading Jesus' Way* Mark Deterding, 2016-09-08 Leading Jesus Way is how you become the leader God created you to be Read this book to learn an actionable model of servant leadership that will positively impact both your personal and professional life Mark Deterding learned how to lead Jesus way from role models from scripture and from personal experience His career that took him from the shop floor to the executive suite with responsibility for thousands of people was a laboratory for him to test out this model and refine it Mark knew what worked for him and he wanted to help others learn to lead Jesus way First he developed his Leadership Roundtable program Since 2011 hundreds of people have used the program to learn the principles of faith based servant leadership and put them into practice Leading Jesus Way will help you step into faith based servant

leadership too You can take your faith to work get great results and build up the people you work with using the lessons in this powerful book Servant Leadership John Wallace Whitehead,2019-08-07 The world needs servant leaders people who love unconditionally give of themselves sacrificially and leave a legacy worth following If each of us would choose to be a servant leader we could change the effect of the generational dysfunctions that exists in our world today In Servant Leadership Leading Today for a Better Tomorrow John Wallace Whitehead poses that we have a model of servant leadership to follow That model is Jesus whose method has stood the test of time Inspired by Him we will not only begin to focus on identifying and operating from our strengths but we can become better leaders by understanding our weaknesses and shortcomings Servant Leadership Leading Today for a Better Tomorrow will help its readers not only become the leaders Jesus created them to be it will allow them to lead others to Him **Born to Serve** Thomas Thozu Gwanya,2020-04-29 In this book Born to Serve A Call to Servant Leadership I have noted that each one of us is born to fulfil a special and unique purpose in life Each person must find what that God s plan about one s life is We will live in a much better world and lead a better life when we are prepared to serve one another We are born to be leaders in our own homes extended families neighbourhood communities and nation Servant leadership does not abuse power does not take advantage of the higher office and thus look down upon those who are being served those who are followers or dependants Humility is the prescribed manner of providing a service A servant leader must be humble and be committed to serve his her followers Some followers like Peter will not understand and perhaps even refuse that their feet be washed by such big people Instead they will insist on washing you or doing things for you A true servant leader will reject that and insist that I am here to serve you and not the other way round When Peter rejected the offer of Jesus to wash his feet then Jesus nicely explained to him If I do not wash you you will not have part with me In other words my mandate from the Father who sent me is that I must serve you Jesus had explained to His disciples that the manner in which my Father sent me so do I send you The manner of rendering the service the manner of spreading the gospel of Christ shall not deviate from how Jesus did it himself The one who is a servant is not greater than the one who is being served The learner is not greater than the teacher The one who is a servant leader must always take to heart the interests of the one who is being served The true qualities of a servant leader show up in the manner that the servant leader carries him herself the manner he she provides the service the manner he she interacts with the ones served the manner he she follows up to ensure the effectiveness of the service There is an urgent need for a paradigm shift that those who are providing a service change from being treated or seeing themselves as masters who must be feared respected and honoured The radical change must happen on both sides the servant s attitude and expectations must change those who are being served must accept being served by people with authority power As it were they must demand and expect servant leadership Most public representatives officials religious leaders or community workers often treat the recipients of their services with a condescending attitude It is as though those who are being served must worship

those who are servants Employers themselves must lead by example and demonstrate to their employees how to be a servant leader It is crucial that we all know what our individual mandate is and how we are going to fulfil it Those who are the sent ones must live up to their calling as ambassadors and thus efficiently and effectively represent the high authority that sent them

There are many different types of leaders leaders in the business world in government in the home and in the local church Sadly many times leadership has been completely contrary to what the Bible teaches Many leaders are focused on what they can get from their positions of authority rather than on what they can give to the works in which they are involved While some view it as a tool for popularity and power leadership is a privilege Leadership requires responsibility We need biblical leaders who are people of integrity and humility leaders who are willing to be different
