Journals of the Senate and House of the ... Legislative Assembly ... Oregon. Legislative Assembly, Oregon. Legislative Assembly. Senate,1919 Master Register of Bicentennial Projects, February 1976 American Revolution Bicentennial Administration,1976 *Democratic Delusions* Richard J. Ellis,2002 It is becoming common in many states the opportunity to reclaim government from politicians by simply signing a petition to put an initiative on the ballot and then voting for it Isn t this what America ought to be about Proposition 13 in California s 1978 election paved the way the past decade saw more than 450 such actions now in many states direct legislation dominates the political agenda and defines political and public opinion While this may appear to be democracy in action Richard Ellis warns us that the initiative process may be putting democracy at risk In *Democratic Delusions* he offers a critical analysis of the statewide initiative process in the United States challenging readers to look beyond populist rhetoric and face political reality Through engaging prose and illuminating and often amusing anecdotes Ellis shows readers the dark side of direct democracy specifically the undemocratic consequences that result from relying too heavily on the initiative process He provides historic context to the development of initiatives from their Populist and Progress roots to their accelerated use in recent decades and shows the differences between initiative processes in the states that use them Most important while acknowledging the positive contribution of initiatives Ellis shows that there are reasons to use them carefully and sparingly ill considered initiatives can subvert normal legislative checks and balances undermine the deliberative process and even threaten the rights of minority groups through state sanctioned measures Today s initiative process Ellis warns is dominated not by ordinary citizens but by politicians perennial activists wealthy interests and well oiled machines Deliberately misleading language on the ballot confuses voters and influences election results And because many initiatives are challenged in the courts these ostensibly democratic procedures have now put legislation in the hands of the judiciary Throughout his book he cites examples drawn from states in which initiatives are used intensively Oregon California Colorado Washington and Arizona as well as others in which their use has increased in recent years Undoing mistakes enacted by initiative can be more difficult than correcting errors of legislatures As voters prepare to consider the host of initiatives that will be offered in the 2002 elections this book can help put those efforts in a clearer light *Democratic Delusions* urges moderation attempting to teach citizens to be at least as skeptical of the initiative process as they are of the legislative process and to appreciate the enduring value of the representative institutions they seek to circumvent **Monthly Checklist of State Publications** Library of Congress. Exchange and Gift Division,1994-08 June and Dec issues contain listings of periodicals **N. W. Ayer & Son's American**

Newspaper Annual ,1887 The Initiative Joseph Francis Zimmerman,1999 The Initiative is a device that allows voters to propose and ratify constitutional amendments city charter amendments statutes and ordinances The Initiative is a citizen solution to the problem of unrepresentative legislative bodies that are more responsive to special interests than to the voters Although the use of the Initiative has been subjected to strong criticism deservingly so in California the device generally has not been overused and has been effective when employed **Election Laws** Oregon,1970 **Lord's Oregon Laws** Oregon,1910 Journal of the House of the Legislative Assembly of the State of Oregon ,1887 **Journal** Oregon.
