

## « 14/18 La Suisse et la Grande Guerre »

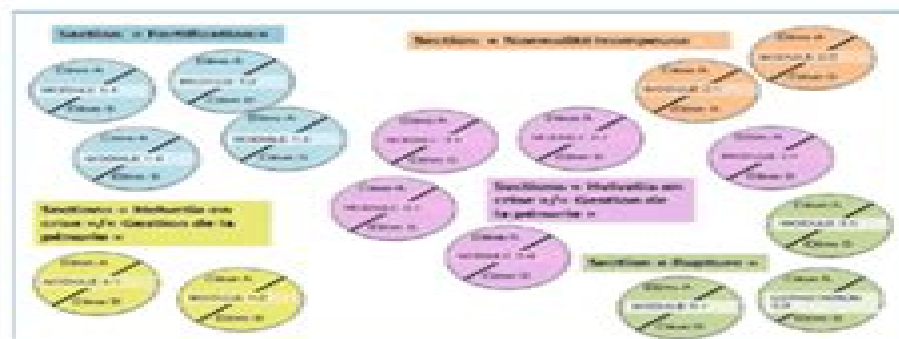

### Introduction pour les enseignants

A. Concept du travail avec la classe .....	1
B. Mise en scène de la visite de l'exposition – utilisation des dossiers .....	2
C. Utilisation des dossiers sans visite de l'exposition .....	5

### A. Concept du travail avec la classe

#### 1. Idée directrice :

Notre objectif est que les élèves étudient l'exposition et son sujet dans la plus grande autonomie possible aux trois niveaux du travail historique – recherche, interprétation, communication. Raison pour laquelle nous proposons un environnement didactique fondamentalement ouvert et composé de 14 modules pédagogiques sur lesquels la classe travaille en binômes.

#### 2. Public cible

Destinataires principaux : Degrés secondaires (Sec) I et II – deux niveaux de difficulté sont proposés pour tous les exercices.

#### 3. Dossiers

Dans les deux cas, le concept, centré sur les élèves, repose sur l'étude en petits groupes de divers aspects de la Suisse dans la Première Guerre mondiale. Les dossiers possèdent donc tous la même structure :

- Accroche des élèves à l'aide de photographies sur le thème, éventuellement tirées de l'exposition
- Informations générales sur le thème (texte de présentation)
- Illustration par un exemple
- Ressources (sources et présentations) sous la forme la plus variée
- Formulation d'exercices
- Une fiche de notes, remise séparément (modèle en annexe) aux élèves en vue de préparer leur présentation devant l'autre moitié de la classe.
- Un dossier enseignant pour chaque module. Le dossier contient les horizons d'attente sur les exercices, parfois des documents supplémentaires, des sources et des références bibliographiques. Tous les dossiers distinguent entre degrés secondaires I et II.
