Celebrated Crimes: La Marquise de Brinvilliers. Vaninka. La Constantin Alexandre Dumas, 1895 The Monthly The Cumulative Book Index ,1908 A world list of books in the English language **Cumulative Book Index** ,1907 La Constantin Celebrated Crimes Alexandre Dumas pere, 2018-06-30 La Constantin The United States Catalog, 1903 Celebrated Crimesby Alexandre Dumas pereBefore beginning our story we must warn the reader that it will not be worth his while to make researches among contemporary or other records as to the personage whose name it bears For in truth neither Marie Leroux widow of Jacques Constantin nor her accomplice Claude Perregaud was of sufficient importance to find a place on any list of great criminals although it is certain that they were guilty of the crimes with which they were charged It may seem strange that what follows is more a history of the retribution which overtook the criminals than a circumstantial description of the deeds for which they were punished but the crimes were so revolting and so unsuitable for discussion that it was impossible for us to enter into any details on the subject so that what we offer in these pages is we confess quite openly not a full true and particular account of a certain series of events leading up to a certain result it is not even a picture wherein that result is depicted with artistic completeness it is only an imperfect narrative imperfectly rounded off We feel sure however that the healthy minded reader will be grateful for our reticence and total disregard of proportion In spite of the disadvantage which such a theme imposes on any writer with a deep sense of responsibility we have resolved to let in some light on these obscure figures for we can imagine no more effective way of throwing into high relief the low morals and deep corruption into which all classes of society had sunk at the termination of the factious dissensions of the Fronde which formed such a fitting prelude to the licence of the reign of the grand roi We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience The National Union Catalog, Pre-1956 Imprints Library of Congress, American Library Association.
