La France Et La Russie Alliances Et Discordances:

La France et la Russie. Alliances et discordances Yakemtchouk romain, 2011-10-01 La France et la Russie ont connu des périodes de coopération mais aussi d'oppositions idéologiques et politiques Elles ont opté dès 1891 pour une alliance contre l'hégémonie allemande sont restées unies lors du déclenchement de la Première Guerre mondiale ont signé en 1935 un traité d'assistance mutuelle ont conclu un traité d'alliance en 1944 la France s'est opposée à la politique des blocs en 1966 et tout indique que dans un monde en perpétuel changement les deux nations ont vocation se rapprocher Russia in the Middle East and North Africa Chiara Lovotti, Eleonora Ambrosetti, Christopher Hartwell, Aleksandra Chmielewska, 2020-04-14 After decades of intense interest and rivalry with the USA the end of the Cold War and the dismantling of the USSR officially marked a period of significant retreat of Russia from the Middle East and North Africa MENA However with Russia's economic recovery and the entrenchment of President Vladimir Putin Russia's interest in the region has risen anew Once again seen as a battleground to contest US hegemony Russia has expanded its political military and to a lesser extent economic relationships across the region Most apparent in the military intervention in Syria Russia has also been engaged with traditional rivals Iran Saudi Arabia and Turkey stepping into the vacuum left by the US Obama Administration Is Russia's reengagement part of a strategy or is it mere opportunism Authors with different backgrounds experiences and origins examine this question via an analysis of the historical drivers of Russian interest in the MENA region and the factors underlying current Russian policies

For Peace and Money Jennifer Siegel, 2014-11-03 From the late imperial period until 1922 the British and French made private and government loans to Russia making it the foremost international debtor country in pre World War I Europe To finance the modernization of industry the construction of public works projects the building of railroads and the development of the military industrial complex Russia's ministers of finance municipal leaders and nascent manufacturing class turned time and time again to foreign capital From the forging of the Franco Russian alliance onwards Russia's needs were met first and foremost by France and Great Britain its allies and diplomatic partners in the developing Triple Entente Russia's continued access to those ready lenders ensured that the empire of the Tsars would not be tempted away from its alliance and entente partners This web of financial and political interdependence affected both foreign policy and domestic society in all three countries The Russian state was so heavily indebted to its western creditors rendering those western economies almost prisoners to this debt that the debtor nation in many ways had the upper hand the Russian government at times was actually able to dictate policy to its French and British counterparts Those nations investing classes which in France in particular spanned not only the upper classes but the middle rentier class as well had such a vast proportion of their savings wrapped up in Russian bonds that any default would have been catastrophic for their own economies That default came not long after the Bolshevik Revolution brought to power a government who felt no responsibility whatsoever for the debts accrued by the tsars for the purpose of oppressing Russia's workers and peasants The ensuing effect on allied morale the

Anglo French relationship and ultimately on international relations in the twentieth century was grim and far reaching Jennifer Siegel narrates a classic tale of money and power in the modern era an age of economic interconnectivity and great power interdependency involving such figures as Lord Revelstoke chairman of Baring Brothers the British and French Rothschild cousins and Sergei Witte Russia's authoritative finance minister during much of this age of expansion For Peace and Money highlights the importance of foreign capital in policymaking on the origins and conduct of World War I

French Foreign Policy in a Changing World Pernille Rieker, 2017-07-18 This book investigates how modern French foreign policy is practiced France finds its traditional power status challenged by internal as well as external developments Internally it faces societal challenges related to unemployment integration social exclusion Islamist terrorism and the rise of populism Externally its status is challenged by global and regional developments including the financial crises competition from emerging states EU enlargement and a more powerful Germany While the French recognise that they no longer have great power economic or military power capacities the conviction of the universal value of French civilization and culture remains strong As this book argues for France to be able to punch above its weight in international politics it must effectively promote the value of French universalism and culture This study investigates how this is reflected in modern French foreign policy by examining foreign policy practices towards selected regions countries and in relation to external and internal security Written by a senior researcher specializing in French and EU foreign and security policy this book will be an invaluable resource for practitioners of foreign policy and students of French politics international relations and European studies

La diplomatie russe Yakemtchouk romain, 2012-05-01 De l'Empire tsariste l'actuel Etat de Vladimir Poutine la Russie occupe une place importante sur la scene internationale La politique étrangère d'un Etat est toujours troitement liée à sa politique intérieure la Russie en fournit un excellent exemple Un vaste panorama des relations extérieures russes est ici dressé au travers des grands noms de la diplomatie russe

La discordance des temps Christophe Charle, 2011-10-05 Ce premier essai sur la modernité nous montre comment les hommes et les femmes perçoivent depuis le 19^e siècle leur rapport à l'avenir au présent et donc au passé A travers les principaux événements historiques l'auteur donne une approche à la fois chronologique et thématique de la modernité Il nous montre également comment les écrivains les penseurs les savants et les artistes ont voulu penser et réfléchir l'avenir l'inverse de leurs prédécesseurs

Le Correspondant, 1914 *L'alliance franco-russe* Boris Émmanuilovich Baron Nol'de, 1936 *Emprunts russes et investissements français en Russie, 1887-1914* René Girault, 1999 Comme l'explique René Girault dans la préface de cette réédition de sa thèse publiée pour la première fois en 1973 l'histoire des emprunts russes est simple le mythe est défilant la fin du XIX^e siècle les rentiers français ont prêté leur or à l'allié russe la révolution bolchevique a brutalement renié les dettes de l'ancien régime en 1918 sans jamais payer d'indemnités aux anciens créanciers ou investisseurs jusqu'aux récents accords de 1996 qui replacent cette vieille histoire dans l'actualité immédiate L'ampleur des sommes prêtées la large diffusion des papiers russes dans le public français le reflète par la presse

dans la formation d'une conscience collective française vis-à-vis de la Russie tsariste puis bolchevique le bouleversement social qui suivit la première guerre mondiale avec la disparition du rentier personnage symbolique de la Belle époque avaient abouti à la création d'un mythe fort et d'une réalité navrante le petit bourgeois français qui avait prêté son or à la Russie l'entrepreneur français qui avait investi en Russie autant par intérêt raisonné que par réflexe patriotique a été grugé d'argent trompé par des dirigeants sans foi ni loi toute morale est ainsi bafouée. Mais de son côté ajoute R. Girault l'historien doit raisonner sur les faits et se garder de porter des jugements de valeur sur l'attitude des protagonistes de la Belle époque. L'histoire des emprunts russes appartient à l'histoire globale des relations internationales avec tout ce que celle-ci comporte d'implications politiques économiques et sociales pour les pays concernés. Il convient de répondre aux trois questions classiques quand pourquoi comment emprunts et investissements français en Russie. Cette étude donne très clairement bien des réponses. C'est pourquoi au-delà de l'actualité immédiate qui avec le lancement de la procédure d'indemnisation a relancé la vieille affaire des emprunts russes le Comité pour l'histoire économique et financière de la France a voulu par cette rédaction remettre la disposition du public un ouvrage fondamental sur l'histoire de la France et de la Russie au début du siècle.

De la Sainte-Alliance au Pacte Atlantique Fernand L'Huillier, 1954 De la Sainte-Alliance au Pacte atlantique: Le dix-neuvième siècle, 1815-1898 Fernand L'Huillier, 1954 **Revue des deux mondes**, 1888 *Revue des deux mondes* François Buloz, Charles Buloz, Ferdinand Brunetière, Francis Charmes, René Doumic, André Chaumeix, 1888 *La politique étrangère de la France*, 1996 **Journal des voyages, des sciences, de l'administration, des mœurs, etc., chez les différents peuples du globe**, 1888 **Une alliance improbable** Georges Vidal, 2015. Pour l'armée française le régime communiste devient dès 1917 un sujet de grande interrogation s'agit-il d'un partenaire possible. En dépit des réponses divergentes et des controverses les analyses des militaires français restent dominées par la conviction que l'URSS est une nouvelle mouture de l'ancienne Russie avec toutes ses faiblesses et ses incertitudes. C'est dire si le mythe du colosse aux pieds d'argile demeure en filigrane dans la prise en compte de l'URSS comme facteur international.
