

## **Template Livery Yard Handbook**

The template livery yard handbook is an example of a document livery yards and other equestrian establishments can issue to their clients containing rules and information about a yard and its routine. This can be issued alongside, and as part of, a livery yard agreement.

Whilst suggestions below are for the contents of this handbook, all yards are different. You will need to fill in each area with the necessary information for YOUR yard. Please ensure all information has been entered and checked for accuracy before issuing to clients. It is recommended to issue a handbook to every client, as well as have a copy available on the yard. You would also be sensible to update and re-issue the handbooks as appropriate should the information contained need to be updated or details change.

When included within your contract, you will need to include a statement within your contract such as "As part of this Livery Agreement, the Horse Owner confirms that they have read and understood the information contained in the Livery Yard Handbook" which forms a legally binding agreement, and/ or you can issue them with an acceptance form to go alongside the livery agreement, and can also be issued for each updated version of the handbook to confirm they have read and understood.
