**Irish Criminal Law Journal** Shane Murphy, 1991      **The Routledge Handbook of Irish Criminology** Deirdre Healy, Claire Hamilton, Yvonne Daly, Michelle Butler, 2015-12-14

The Routledge Handbook of Irish Criminology is the first edited collection of its kind to bring together the work of leading Irish criminologists in a single volume. While Irish criminology can be characterised as a nascent but dynamic discipline, it has much to offer the Irish and international reader due to the unique historical, cultural, political, social and economic arrangements that exist on the island of Ireland. The Handbook consists of 30 chapters which offer original, comprehensive and critical reviews of theory, research, policy and practice in a wide range of subject areas. The chapters are divided into four thematic sections. Understanding crime examines specific offence types including homicide, gangland crime and white collar crime and the theoretical perspectives used to explain them. Responding to crime explores criminal justice responses to crime including crime prevention, restorative justice, approaches to policing and trial as well as post conviction issues such as imprisonment, community sanctions and rehabilitation. Contexts of crime investigates the social, political and cultural contexts of the policymaking process including media representations, politics, the role of the victim and the impact of gender. Emerging ideas focuses on innovative ideas that prompt a reconsideration of received wisdom on particular topics including sexual violence and ethnicity. Charting the key contours of the criminological enterprise on the island of Ireland and placing the Irish material in the context of the wider European and international literature, this book is essential reading for those involved in the study of Irish criminology and international and comparative criminal justice.

**Terrorism, Rights and the Rule of Law** Barry Vaughan, Shane Kilcommins, 2013-05-13

The rule of law is becoming a victim of the struggle against terrorism. Many countries are reviewing their security procedures and questioning whether due process rights hinder them in the war on terror. There is increasing emphasis on preventive detention or strategies of disablement that cut into the liberties of suspects who may not have committed a crime. The focus of this book is the Republic of Ireland where the risk of political violence has constantly threatened the Irish state. To ensure its survival, the state has resorted to emergency laws that weaken due process rights. The effects of counter terrorism campaigns upon the rule of law governing criminal justice in Ireland are a central feature of this book. Globalization has supported this crossover as organized crime seems immune to conventional policing tactics. But globalization fragments the authority of the state by introducing a new justice network. New regulatory agencies are entrusted with powers to control novel risks and social movements adopt a human rights discourse to contest state power and emergency laws. The result of this conflux of actors and risks is a negotiation of the model of justice that citizens can expect. Terrorism, Rights and the Rule of Law contributes to current debates about civil liberties in the war on terror, how counter terrorism can contaminate criminal justice and how globalization challenges a state centred view of criminal justice. It will be of key interest to students of criminology, law, human rights and sociology as well as legal and other practitioners.

and policy makers     Policing Twentieth Century Ireland Vicky Conway, 2013-08-15 The twentieth century was a time of rapid social change in Ireland from colonial rule to independence civil war and later the Troubles from poverty to globalisation and the Celtic Tiger and from the rise to the fall of the Catholic Church Policing in Ireland has been shaped by all of these changes This book critically evaluates the creation of the new police force an Garda S och na in the 1920s and analyses how this institution was influenced by and responded to these substantial changes Beginning with an overview of policing in pre independence Ireland this book chronologically charts the history of policing in Ireland It presents data from oral history interviews with retired garda who served between the 1950s and 1990s giving unique insight into the experience of policing Ireland the first study of its kind in Ireland Particular attention is paid to the difficulties of transition the early encounters with the IRA the policing of the Blueshirts the world wars gangs in Dublin and the growth of drugs and crime Particularly noteworthy is the analysis of policing the Troubles and the immense difficulties that generated This book is essential reading for those interested in policing or Irish history but is equally important for those concerned with the legacy of colonialism and transition     The Irish Law Times and Solicitors' Journal ,1994     *The Law Journal* ,1880     **A History of Victims of Crime** Stephen Strauss-Walsh, 2023-05-19 This book examines the evolution of the contemporary crime victim s procedural place within modern Western societies Taking the history of the Irish crime victim as a case study the work charts the place of victims within criminal justice over time This evolves from the expansive latitude that they had during the eighteenth century to their major relegation to witness and informer in the nineteenth and back to a more contemporary recapturing of some of their previous centrality The book also studies what this has meant for the position of suspects and offenders as well as the population more generally Therefore some analysis is devoted to examining its impact on an offender s right to fair trial and social forms It is held that the modern crime victim has transcended its position of marginality This happened not only in law but as the consequence of the victim s new role as a key sociopolitical stakeholder This work flags the importance of victim rights conferrals and the social transformations that engendered such trends In this way victim re emergence is evidenced as being not just a legal change but a consequence of several more recent sociocultural transformations in our societies The book will be of interest to researchers academics and policy makers in criminal law human rights law criminology and legal history     Kindex ,1999     **Index to Legal Periodicals** ,1912     **Case and Comment** ,1914     **Current Law Index** ,2007     *Criminal Justice History* Ian O'Donnell, Finbarr McAuley, 2003 This book comprises selected essays on issues in crime and punishment prior to the foundation of the Irish State A detailed bibliography is provided to make available the most important material published between 1922 and 2002     Criminal Law Magazine ,1884     The Criminal Law Magazine ,1884 Containing original articles on timely topics full reports of important cases and a digest of all recent criminal cases American and English     Victims of Crime in 22 European Criminal Justice Systems Marion Eleonora Ingeborg Brien, Ernestine Henriette Hoegen, 2000 The implementation of recommendation 85 11

**Relationships and the Law** Oran Doyle, William Binchy, 2007 The questioning of traditional family forms is not a new  
phenomenon However it has recently developed a new dimension in the gay rights movement s claim for legal recognition of  
committed relationships other than traditional marriage This collection of essays explores the moral practical and legal  
issues that arise from proposals to recognise such committed relationships The history of the Irish gay rights movement and  
its contribution to the current issue of partnership recognition are traced The roles played by marriage in the procreation  
and raising of children and as the supreme expression of inter personal commitment are also explored from different  
perspectives in separate essays Egalitarian arguments in favour of partnership recognition are advanced by Oran Doyle and  
Robert Wintemute while William Binchy makes the case on the basis of personal autonomy for life long marriage John Mee  
explores in detail the current proposals for reform Eoin Carolan and Eimear Brown assess the likely impact of the  
Constitution and the European Convention on Human Rights respectively Ursula Kilkelly examines the issues that arise  
where children are born into or become part of the committed relationships of their parents This timely collection of essays  
will stimulate those interested in this issue and provide practical guidance on the legal scope for and limits on possible  
change Current Serials Received British Library. Document Supply Centre, 2007
