La Danse Des Illusions

Brigitte Aubert

La Danse Des Illusions:

La danse des illusions Brigitte Aubert, 2013-11-21 Lors de l'extraordinaire vague de froid qui s'abat sur Paris pendant l'hiver 1895 le jeune reporter Louis Denfert découvre le corps sans vie d'un petit ramoneur en bord de Seine. L'enfant n'a pas succombé à une mort naturelle et Louis apprend bientôt qu'une rumeur enfle dans les bas-fonds de la capitale: un homme en frac et en haut de forme surnommé le Vicomte rôderait dans Paris attirant les enfants des rues bord de son fiacre sous prétexte de leur montrer un fabuleux jouet optique. Tandis que les inventeurs de tout poil se livrent une bataille acharnée pour mettre au point le cinématographe, l'intrépide reporter se lance dans une traque sans merci du Moulin Rouge aux ors du bal du carnaval de Venise, la recherche d'une mystérieuse caméra et d'un pervers assoiffé de sang. Mais dans les brouillards méphitiques de la lagune, il s'avère plus insaisissable qu'un démon. *Rhythm, Illusion and the Poetic Idea: Baudelaire, Rimbaud, Mallarmé* David Evans, 2004-01-01

Rhythm Illusion and the Poetic Idea explores the concept of rhythm and its central yet problematic role in defining modern French poetry. Forging innovative lines of inquiry linking the detailed analysis of poetic form to the evolution of fundamental aesthetic principles, David Evans offers extensive new readings of the literary and critical writings of the three major poets at the centre of France's most important poetic revolution. The volume is of interest to all students and readers of Baudelaire, Rimbaud and Mallarmé since here is presented for the first time a thorough comparative study of developments in each writer's poetic form and theory, focusing on the themes of illusion, deception and the musical metaphor. The book is also intended to stimulate wider critical debate on the interpretation of metrical verse, prose poetry and vers libre and offers original analytical methods which facilitate the study of poetic form. The author proposes a radical shift in our understanding of the role and mechanisms of poetic rhythm, suggesting that its very resistance to definition and fixity provides a conveniently opaque veil over the difficulties of defining poetry in the nineteenth and twentieth centuries. *Les illusions musicales* Johannès Weber, 1883 *Art and Dis-illusion in the Long Sixteenth Century*

Larry Silver, 2023-04-12 Whereas entire libraries discuss the religious and political history of the sixteenth century in Northern Europe, focused on the Reformation and the rise of nation states, Larry Silver uniquely traces the dramatic even traumatic changes of the Reformation era discernible in the visual arts, especially paintings and the new medium of prints. Among the subjects and themes he explores are the destruction of church images, witchcraft, reactions to new voyages of exploration and issues of vision itself in an age when moral codes and the nature of sin and death were being re-examined.
