

My Favourite Football Team

Football has been known as the most popular sports around the world and My favorite Football team is F.C Barcelona. I choose Barcelona for several reasons first because i consider them as a best team of the world . They have acomplish a lot in this past years. This team has created their own record in winning third consecutive league title in La Liga and has dominating the league for quite a long time with their ultimate opponent, Real Madrid. Other than that, this team has won UEFA Champions League title for the fourth time. This team also the among most voted team to become the king of Europe. No doubt on that, the players are playing in their best condition and they have unique tactical style in attacking, controlling and defending ball. They're also playing possession football to avoid loosing ball to the opponent and have shown to the world with their superb passing skill. I feel satisfied and entertained with their skill when watching their match. They are enjoying their game and have good understanding between them. These make them a strong team and in fact the best team I've ever found. I think they will be dominating La Liga and UEFA Champions League for years.
