My Love For God:

Jesus My Valentine Henrietta Hunter, 2019-05-07 The greatest gift the world has is God's love for us. The love God has for us precipitated God sending us Jesus to bring us back into a loving fellowship with him. With all the hate, evil, and pain that exist in the world, humanity cannot forget the power of love and the sovereignty of God. God is love, and since God is sovereign, love still reigns not only in the hearts of men and women but in the heart of God, and it is inextricably interwoven within our salvation story. Our Christian salvific story is one of love; it is a narrative of love. We were made to love and made to be loved. We were made in the image of God, and God being love denotes we were made to love, be loved, and desire a relationship with those we love. God desires a relationship with us because he loves us. The love of the Father is manifested through the deeds of Jesus Christ in the Father's desire to be back in relationship with his creation. The love God has for his creation must be dramatized and visualized in how we love one another and relate to those we love. God's will need to be done on earth as it is in heaven. Henrietta Hunter's *Jesus My Valentine* explores how interconnected the love we experience in our personal lives is romantically, platonically, to our love for God. She demonstrates this by outlining how the love and passion that the lover in *Songs of Solomon* possesses for his love is an extended analogy to God's love for us and how God's people ought to pursue him as their lover. Her work calls readers to experience God's love through the way we experience love with others reciprocally: the way readers experience love with one another is the same way readers are to experience being in love with God. Henrietta introduced the magnitude of love on a horizontal level which is eye level, a level a reader can grasp, and then raise our spiritual consciousness to above eye level which is a vertical love. *Jesus My Valentine* argues both are necessary to truly make Jesus our valentine. It is when Jesus becomes our valentine that we come to know true love and the true meaning of true love, realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible. Henrietta's journey within *Jesus My Valentine* takes us from the historicity of Valentine's Day to the evolution of how we contemporarily celebrate Valentine's Day. She matriculates from a historical view of Valentine's Day to a theological view of Valentine's Day, moving from an anthropocentric human view of love to a theocentric God view of love. *Jesus My Valentine* calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus. Henrietta outlines how readers are to love Jesus and make him their valentine in very practical ways. If you asked Henrietta how to make Jesus your valentine, according to this text, she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife. It is a love that comes from a knowledge that is only generated by living together by responding to each other's daily interests and by the needs and by listening and being present. *DO YOU REALLY LOVE GOD?* GODSWORD GODSWILL, ONU, 2015-03-30 To love God is to cherish and esteem God with your whole being, spirit, soul, and body. It is to keep His Word and Commandments and also to serve Him with your whole heart. To love God is to put God first before any other person or thing and to not offend or displease God because of any person's desire or

thing How do we prove that we love God We show and prove that we love God by keeping His Word and Commands If we say that we love Him but do not obey what He tells us to do where then is the Love of God in us Another way by which we prove our love for God and to Him is by serving Him and seeking for the wellbeing of His Kingdom Next if you love God and really love Him the love that you have for God will keep you from doing certain things saying certain things and behaving certain ways This is no joke If your Christian life is the one in which you yourself determine and decide what to obey and what not to obey then you do not love God

In the Image of God Shirley Mayhood,2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God s Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God s kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God s amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father s law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451
