My Sister S Grave The Tracy Crosswhite Series:

My Sister's Grave Robert Dugoni, 2014 Seattle police officer Tracy Crosswhite lost her sister Sarah over 20 years ago and she has never forgiven herself. With no corpse discovered, there was still enough evidence to convict the man thought responsible for Sarah's disappearance. Now a body has been found and Tracy learns the remains are of her sister. Tracy has had her doubts about the guilt of the man behind bars and she's absolutely sure there is a murderer still loose. **My Sister's Grave** Keith Taylor, 2014-10-29 Robert Dugoni's novel *My Sister's Grave* is a best seller. Tracy Crosswhite has put in twenty years addressing the certainties encompassing her sister Sarah's vanishing and the homicide trial that emulated. She doesn't accept that Edmund House, an indicted attacker and the man censured for Sarah's homicide, is the blameworthy party. Propelled by the chance to get genuine equity, Tracy turned into a crime investigator with the Seattle PD and devoted her life to finding executioners. At the point when Sarah's remaining parts are at long last found close to the place where they grew up in the northern Cascade heaps of Washington State, Tracy is dead set to get the answers she's been looking for. As she looks for the true executioner, she uncovers dull long kept insider facts that will everlastingly transform her relationship to her past and open the avenue to danger. I wrote a personal short story about being dead to the world. It is a modernized parable of the parable of the sacrificial seed that dies. It is from John 12:24-25. A bonus story follows with a warning that no one knows the day nor the hour. Matthew Prokop throws some lowlifes in jail because Bill Simmons tricked them to do Matthew Prokop dirty. In the end, Bill Simmons gets thrown in jail as well. This is referencing Mark 13:32-37. **Close to Home** Robert Dugoni, 2017 While investigating the hit and run death of a young boy, Tracey Crosswhite discovers the suspect is an active duty serviceman at a local naval base. He's cleared, however, after a piece of evidence goes missing and Crosswhite must fight for justice. **Private Investigations** Victoria Zackheim, 2020-04-21 In this thrilling anthology, bestselling mystery writers abandon the cloak of fiction to investigate the suspenseful secrets in their own lives. For many of us, a good heart pounding mystery is the perfect escape from real world confusion and chaos. But what about the writers who create those stories of suspense and intrigue? How do our favorite novelists cope with our perplexing world and what mysteries keep them up at night? In *Private Investigations*, twenty fan favorite mystery writers share first person tales of mysteries they've encountered at home and in the world. Caroline Leavitt regales us with a medical mystery recounting a time when she lost her voice and doctors couldn't find a cure. Martin Limón travels back to his military stint in Korea to grapple with the crimes of war. Anne Perry ponders the magical powers of stories conjured from writers' imaginations and more. Exploring all the tropes of the genre from haunted houses and elusive perpetrators to regrouping after missed signals have derailed them, these writers' true tales show just how much art imitates life and how ultimately we are all private investigators in our own real world dramas. **Odd Partners** Mystery Writers Of America, Allison Brennan, Jeffery Deaver, William Kent Krueger, 2019-04-23 Unlikely pairs join forces to crack a slew of intriguing cases in an anthology edited

Great Stories Don't Write Themselves Larry Brooks, 2019-11-12 One of the most common questions new writers ask professionals is how they wrote their book what was their process for storytelling Did they use an outline to plan the book or write it from the seat of their pants But really the question should be about the general principles and nature of storycraft does every part of a story have what it needs to keep readers turning the pages Bestselling author and creator of StoryFix.com Larry Brooks changes the sound of the writing conversation by introducing a series of detailed criteria for novelists of every level and genre to refer to while writing regardless of their preferred writing method Beginning with the broadest part of the story the early checklists help writers to ensure that their novel is based on a premise rather than an idea and gradually hones in on other elements to keep the story moving forward including dramatic tension narrative strategy scene construction Readers won't know or care about the process But what Brooks offers here is a chance for readers to make the most of whichever process they choose and in doing so cut years off their learning curve *Braille Book Review*, 2016-11 □□□□ Robert Dugoni, 2016-08-06 Traditional Chinese edition of My Sister's Grave the Tracy Crosswhite series by Robert Dugoni The series has been the New York Times Wall Street Journal and Amazon bestsellers [Wrongful Death](#) Robert Dugoni, 2015-08-18 In this relentlessly suspenseful legal thriller from Robert Dugoni the #1 Kindle bestselling author of MY SISTER'S GRAVE attorney David Sloane
