My Summer with Gramps Ignatius Ryan,2014-11-19 On a late summer afternoon a young boy climbs on his bike and heads into the woods towards his Grandfathers cabin His Grandfather a supposed semi recluse whom he hasn t seen in a decade Thus begins a journey of discovery that explores life s pitfalls joys and ultimately the meaning of life itself **The Diary of a Mad Chef** Daniel DellaVecchia,2012-08-01 This family cookbook morphed into much more for me during the writing process It began by contacting friends and family to collect recipes for what I thought would be a simple process During those conversations and with my own memories a flood of personal history evolved in my mind What began as a repository of food recipes became much more to me and I decided to collect the process in the form of this book The Diary of a Mad Chef to also include photos of those people and selected short stories Food has always been the center of our familys common narrative thread and I attempted to place the face and the stories of my friends and family with the recipes as I remember them Along with the feedback and photos from my friends and family it became a two year long effort to compile edit and publish this book The journey has been a magnificent experience for me and I am grateful to have had the time and opportunity to write this book [Jimmy's Adventures in the Green Swamp](#) Carolyn Merryman,2011-04-29 Jimmys Adventures in the Green Swamp Is a fictionalized account of Cracker Lifestyle in the Central Florida area in the 1960s it is written to enrich the study of Florida History Each chapter is designed to stand alone Jimmy Reno a Florida Cracker with an adventurous spirit grew up in the 1060s on Hog Island in the heart of Central Florida He lived with his Gramps his only living relative who allowed him the freedom to explore the Withlacoochee River and the woodlands that surrounded his home Gramps taught Jimmy to make a living from the river and to conserve its precious resources Jimmys curious nature frequently led him into a heap of trouble two cut throat poachers caught him and left him for dead on an island in the middle of the Green Swamp In engaged in an ongoing battle with Ole Amos a large catfish that lived in the heart of the Green Swamp He experienced a close encounter with Ole Cotton eye an evil tempered giant gator and lived through a twister on Hog Island that injured Gramps Through all of this Jimmy learned a powerful lesson on friendship when Bill his best friend and all the neighbors came together to give him a helping hand A key event in Jimmys life occurred when he met Mattie Sue at the age of nine They shared adventures that wove a tapestry of friendship and finally love that continued when they went to the University of Florida where they prepared for lives of service and sacrifice for their beloved Central Florida Home This Story is told through a series of flashbacks triggered by childhood pictures in Gramps old tattered photo album The characters are based on a combination of real people The story is fiction based on some true events [Her Summer Cowboy](#) Katherine Garbera,2014-08-07 Many years ago Emma Wells turned her back on the music world and its accompanying heartache and bitter tragic memories but her famous grandfather s farewell tour drives Emma from her quiet life back onto the stage and into the lime light As she picks up her battered guitar once again she begins to find her song writing voice Is

she beginning to heal or is her inspiration sparked by the heated gaze of the strong sexy cowboy watching backstage The road is the only home Hudson Scott s ever known since he stormed out of Marietta Montana when he was 18 years old after a blow out fight with his father Can the sweet summer nights at the country fairs and a burning attraction to a tempting songstress teach him how to stop running and how to build a life with a woman he just might be falling in love with
