I Ain't Much to Look At...But My Wife Is! Arnold E. Harner, 2009-06-12 Marriage Best Friends Battles Phases of Love Biology and Parenting get all this right and you'll have the perfect marriage right Come on Don't be an idiot No one can give you the perfect recipe for getting a marriage just right We are all different with different upbringing attitudes wants desires needs and baggage Although making a marriage work isn't rocket science it does require a good amount of common sense and a great amount of selflessness It means at times giving more love than you get and being ok with that It means being devoted to that special woman as long as you both shall live It also means using your head for something more than a hat rack and making good sensible decisions Be the strong loving husband and father your wife desires and deserves Marriage is an ever evolving dance No man and no secular book will have all the answers you're looking for but this collection of life experiences and relationship research is one great place to start
