## **What is an Extended Essay?**

"The extended essay is an in-depth study of a focused topic chosen from the list of approved Diploma Programme subjects — normally one of the student's six chosen subjects for the IB diploma. It is intended to promote high-level research and writing skills, intellectual discovery and creativity. It provides students with an opportunity to engage in personal research in a topic of their own choice, under the guidance of a supervisor (a teacher in the school)." [IBO Extended Essays 2009]

A student will spend about 40 hours on the Extended Essay.

Is the topic too broad eg Computer Crime? You can't research all crime in the world.  
What exactly do you want to find out?

How can you limit the context eg study one business, one group of people?

Does the topic include everything you want and exclude everything you do not want?

Are you able to access all the material you will need for this topic?

Can you state your topic in one sentence?

Can you ask a research question to limit the scope? (Do not use "yes/no" question.)

Have you looked at each word in your research question and restricted its scope?

What is your research sample - how many people will you interview/survey, over what period?

Have you checked the meaning of each technical word?
