Smallman,Carol Adams,2024-09 Arthur and Linda Seymour could not have known that just a little over a decade into their missionary service Arthur s life would be tragically cut short His death impelled Linda to higher trust in the Lord as she continued serving Him in Chad Africa where her son and grandson would also serve Arthur and Linda Seymour s lives served as a model for those who followed them into missions in Africa *Reserve Personnel Reporting Instructions Manual (RESPRIM)*. Brackney,1994-05-30 A brief narrative survey of the Baptists in North America over the last three and a half centuries from their roots in Europe to their present manifestations in contemporary America and the world The six chapters are organized around five distinctives historically important to Baptists the Bible the Church the ordinances sacraments voluntarism and religious liberty Concluding with a Chronology and extensive Bibliographic Essay this is an ideal text for courses in Church History North American Religious History or American social and cultural history *When My Church is Without Me* David H. Cortés Plata,2025 Pastoral transition is an essential part of the life of a church When God calls a pastor to step down from his leadership position in a local church because of health age or move to a different ministry the local congregation must continue to follow and serve the Lord The church has much to lose if the transition from one pastor to the other goes poorly Pastoral succession is fraught with potential pitfalls The culture and leadership of each individual church have elements that ease or hinder this transition The Independent Fundamental Baptist churches in Mexico have little experience in pastoral transitions and they lack resources to provide wisdom and guidance to navigate these challenges Rather than copying the methodology used by churches in the United States this dissertation provides a step by step manual that can aid the pastors of these Mexican churches as they prepare and execute their transitions when the Lord leads them to do so In order to propose an appropriate methodology for these churches this dissertation first expounds the biblical passages that speak on pastoral appointment Then it studies the history demographics and culture of leadership in these congregations Next this work proposes three major areas in which the local pastor should prepare his church well ahead of his transition enabling the church to understand what a healthy future looks like and to have tools that will facilitate pastoral succession Finally a step by step methodology guides the pastor from the time he announces his stepping down to when his successor is installed all the while addressing the cultural needs of his beloved congregation Dictionary of Organs and Organists Frederick W.
