The Boy Kings of Texas

My Heart Is A Drunken Compass A Memoir

Randall Lee

My Heart Is A Drunken Compass A Memoir:

My Heart Is a Drunken Compass Domingo Martinez, 2014-11-18 With his trademark tragic comical voice and arresting storytelling Domingo Martinez once again delivers a deeply personal memoir full of wry asides and poignant thoughtful reflections in his new book *My Heart Is a Drunken Compass* His first book shockingly ended with his fianc Stephanie plummeting off the side of an overpass in Seattle after having a seizure while driving He now chronicles this painful episode in his life with flashbacks to their tenuous romantic relationship and how her accident and subsequent coma ultimately causes him to unravel emotionally This pivotal moment which began with an alarming call in the middle of the night parallels another gut wrenching experience from the past when his youngest brother's life hangs in the balance Martinez once again brilliantly examines the complicated connections between family friends and loved ones Feeling estranged from his family in Texas over the years isolated and alone in Seattle he turns to writing as a therapeutic tool The underlying themes of addiction and recovery and their powerful impact on family dynamics also emerge within the narrative as he struggles with his inner demons These two traumatic life events actually bring Martinez closer to the family that he has in many ways spend years trying to deny strengthening their bonds and healing old wounds When Martinez falls apart completely he finds his family his redemption and a new beginning with the love of his life who encourages him to write his way out of the pain in order to save his own life

Letras Y Limpias Amanda Ellis, 2021-08-10 *Letras y Limpias* is the first book to explore the literary significance of the curandera It offers critical new insights about how traditional medicine and folk healing underwrite Mexican American literature Amanda Ellis traces the significance of the curandera and her evolution across a variety of genres written by Mexican American authors such as Gloria E Anzald a Manuel Munoz ire ne lara silva and more

Letras y Limpias Amanda V. Ellis, 2021-08-10 *Letras y Limpias* is the first book to explore the literary significance of the figure of the curandera within Mexican American literature Amanda Ellis traces the significance of the curandera and her evolution across a variety of genres written by leading Mexican American authors including Am rico Paredes Rudolfo Anaya Gloria E Anzald a Manuel Munoz ire ne lara silva and more Ellis explores the curandera in relationship to decoloniality bioethics and the topic of healing while recognizing the limitations and spiritual shortcomings of Western medicine Ellis argues that our contemporary western health care system does not know how to fully grapple with illnesses that patients face Ellis reads the curandera's perennial representation as an ongoing example of decolonial love useful for deconstructing narrow definitions of health and personhood and for grappling with the effects of neoliberalism and colonialism on the health care industry *Letras y Limpias* draws from Chicana feminist theory to assert the importance of the mindbodyspirit connection Ellis conveys theoretical insights about the continual reimagining of the figure of the curandera as a watermark across Mexican American literary texts This literary figure points to the oppressive forces that create susto and reminds us that healing work requires specific attention to colonialism its legacy and an intentional choice to carry forward the traditional

practices rooted in curanderismo passed on from prior generations By turning toward the figure of the curandera readers are better poised to challenge prevailing ideas about health and imagine ways to confront the ongoing problems that coloniality creates Letras y Limpias shows how the figure of the curandera offers us ways to heal that have nothing to do with copays or medical professionals refusing care and everything to do with honoring the beauty and complexity of any every and all humans Talking Book Topics ,2015 Viva Texas Rivers! Steven L. Davis,Sam L. Pfiester,2022-08-24 More than the lifeblood of our natural world Texas rivers have nourished the human spirit for as long as people have gathered on their banks A living bond has flowed between Texas writers and rivers ever since the 1960 publication of John Graves s classic journey along the Brazos Goodbye to a River Many of Texas leading writers have had their hearts captured by a river and they have created sparkling accounts of the waterways they love Now editors Steven L Davis and Sam L Pfiester have assembled the best of those works into a revelatory collection of diverse literary voices Ranging from the desert canyonlands of the Rio Grande to the swampy Big Thicket from crystal clear Hill Country streams to the Red River s treacherous quicksand Viva Texas Rivers showcases many classic writings along with brand new essays written for this volume The literary nonfiction is complemented by flashes of poetry that brilliantly reflect these curving ribbons of light Authoritative and expertly edited Viva Texas Rivers offers shimmering accounts of hidden paradises as well as searing expos s of abuse and despoliation Yet even in the bleakest times as these writers have found Texas rivers can bestow a sacred grace and unexpected redemption Viva Texas Rivers brings you as close to the living nirvana of a Texas River as you can get without launching yourself into a canoe and following a great blue heron as it glides just above the breaking rapids leading you around the bend as the river flows onward toward the best places in our hearts **The Whole Works of the Rev. O.**

Heywood ... With Memoirs of His Life, Etc Oliver HEYWOOD,1826 Memoirs to My Women Randall Lee,2010-03-25 A fictional autobiography of a functioning alcoholic who tries to find himself through a string of relationships with devastating effects Anyone who has experienced the painful side of love will relate to this powerful emotionally driven narrative that reverberates to the very core of loneliness Randall Lee has the ability to reach inside of your heart and pull at the strings
