

A woman with blonde hair in a pink and yellow braided style is wearing large black headphones and speaking into a professional microphone. She is in a radio studio with a red background. The word "Whisper" is partially visible in a large, white, stylized font at the top. Below it, the text "WITH ANGELA YEE" is written in black. At the bottom, a large black banner contains the text "I'VE BEEN SLEEPING WITH MY HUSBAND'S COUSIN" in white and red.

The Keres** Edward S. Curtis, 1926 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and

the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here General introduction A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare with a Supplementary Concordance to the Poems John Bartlett,1889 *The Farmers' Advocate and Home Magazine* ,1910 *Actas* ,1913
