My Journey From Islam To Christianity:

My Journey from Islam to Christianity Kenny Abdulsalam, 2015-05-29 This book is about my life growing up as a Muslim boy and young Islamic scholar in West Africa In search for answers I arrived at the truth through objective study of the Bible and the Quran I began to discover the errors in the Quran Many Muslims have been misled which will be demonstrated in this book and some have become extremists as a result For those who have the potential to become Islamic extremists and terrorists and for the Christian reader this book is my attempt as a former Muslim to create a bridge between the Islamic and Christian world Without judgment or condemnation this is my way of reaching out to my Muslim brethren so that we can at least have a conversation about Jesus Christ and Mohammed

A Journey of Faith Sunseria

Jackson, 2013-05-03 A Journey of Faith is a memoir written during a time Sunseria decided to convert from Christianity to Islam She talks about what made her decide to convert to Islam and how the transition between the two faiths affected her lifestyle and her relationships with friends family and her marriage During the 6 years as a Muslim she struggled between the desire to want to be a Muslim and fighting with her husband about her new life She would later find herself at a cross road choosing to stay with her husband or leaving her marriage to pursue her new life She would later decide to leave her marriage to pursue the life as a Muslim After her divorce she realizes that this was a mistake and her faith began to waiver and she slowly began to pull away from the religion No longer wearing the hijab Sunseria still finds difficulty living her new life but continues to hold on to her faith and her trust in God

From Islam to Christianity: Muhammad in the Bible Facts Or Fiction Abdullahi A, 2008-06-26 This book is designed to meet the daily challenges that most believers face when interacting with Muslims or Non Christians in schools offices market places and other arenas of life The purpose is not to ridicule any religious sect but to further tell the whole world that the Lord and Saviour Jesus Christ is more than just who some people think he is Matt 28 19 20 The book is structured in such a way that everyone can use it with ease The Biblical verses are ordered so that anyone who desires to carryout the Great Commission can follow the verses step by step to lead a person to Christ The Quranic verses are provided as tools for you to use when carrying out your evangelism to the Muslims Many people have asked me questions on these areas knowing that I was once a Muslim so verses from both have been provided I believe the details contained in this book will stir up the hearts of many folks who lay their hands on it God bless
