## **My Journey To Jesus:**

My Journey To Jesus Tom Lee, 2015-07-07 This is the story of how one man cruised through life dealing with ups and downs in his Christian faith It s much more than just a biographical description though as that would probably be pretty boring There were a number of questions and issues that had to be dealt with during this journey and they all had an influence on his faith An understanding of each of these and a description of how they impacted his life is a primary part of the book The positions that were developed allowed his faith to be fortified and strengthened his relationship with God Topics that are covered include sin evil death judgmental behavior creation forgiveness the second coming of Jesus Christ and several potentially confusing topics such as baptism communion and the Trinity It is certain that everyone won t be in full agreement with the positions given but they work for him God has led him to these positions to strengthen his faith and bring him closer They certainly don t make him perfect as he is still a sinner but they do show that he can be forgiven through the sacrifice of Jesus Christ God can lead other folks to a very different understanding of these issues and these differences should not cause serious conflicts between individuals No one is perfect or has complete knowledge of God s plan for His universe You can look for and find your own understanding of these same or similar questions with the help of the Holy Spirit When your faith is fortified and you feel closer to God you ll know you ve got it The information in this book may help you think about what s right for you As you read this remember there are two great commandments Love God and love your neighbor as yourself Keeping these forefront in your mind is the best way to live your life in a God pleasing way

*My Journey To Jesus* Kristie L French, 2024-03-08 This book is written from the author s heart In the beginning she didn t understand who Jesus or the Father was Through struggles and fears her journey began Making the wrong choices led her to more difficulties in knowing which direction she should go One day a little bundle came into her life and brought joy and love Now she had more choices to make because she wasn t alone The day finally arrived when the author learned of unconditional love and salvation She was now finding her way to the right path Soon to follow heartache and sorrow entered her life A trial crept in and challenged her to the heart The author has written this book with honesty and truthfulness There were times when she had to ask Father if he was sure he wanted her to write down certain events Of course he always said yes 2

**Christ and a History of Palestine and Its People** Thomas De Witt Talmage,1893      *My Journey with Jesus* Sherri Stanfill-Bell,2021-11-02 My Journey with Jesus is a Bible study containing thought provoking subjects aligned with what is going on in the world by taking ourselves to God s Word the Bible to learn how God wants us to manage the seasons of life Knowing that each season of life and each individual is unique the living word can mean one thing in a certain season and mean an entirely different thing during another season With this in mind the intent is not for me to dictate how you are supposed to feel or dictate God s instruction for you The intent is to help bring forth thought provoking topics for you to pray on meditate upon God s word and have daily open conversations with our Heavenly Father All of which teach us how to manage certain struggles as well as help to see the life stepping stones God Himself has placed before each of us I commit to stand beside and with you in prayer it takes an army of prayer warriors to get us through this world As you move through this thought provoking study you will see a lot of empty space This is purposefully designed to provide space for your notes words phrases and or complete paragraphs that seem to come out of nowhere when studying should be written down Keeping daily journals when seeking guidance will help you identify where God is leading you In addition the Lord blessed me with a poetic ministry throughout my journey You will see poems sprinkled throughout the study May this bless encourage and grow you as it has me I like how you supported your section topic with verses from scripture Always great to see what the Word has to say on today s topics Jim Soule I loved your poems and the scriptures that you chose for the Time to dig in When I read

through it as an inspiration piece for my personal journey through the seasons of life I really identified with almost all of the content crazy Loved it Michael Shirk I really like your book My favorite poem in it is How Long Has It Been Honestly when I read it I cried This is exactly how I have been feeling lately I ve felt like something has been missing I realized I haven t heard God s voice in a while and I know it s because I ve stopped talking and reaching for him Your book is making me rethink the way I am doing things reminding me that I know God is here for me and that I just need to start praying more and listening to what he has to tell me Tawny Hicks A special thank you to the highly talented Graphics Artist Jayameena Jay Sundar for capturing my visions into beautiful illustrations [www.jaysundar.com](http://www.jaysundar.com) I would also like to thank the beta readers who provided valuable insights 19 *My Journey from Jesus Christ to the Almighty* Ionie Bonnie, 2019-08-20 This book is an autobiography of my journey to the Almighty It shows the many trials that I have been through and in the end how He appeared to me It is about reintroducing humanity to this supreme being who created us all in spite of our backgrounds and our cultures Humanity has another chance at life to live forever for death is not a reality of life They are separate and apart and He treasures immortality which is life for He exists forever **My Journey with Jesus** Joy Dawson, 2021-12 My life s calling as a missionary and prophetic Bible teacher to 55 nations was against all odds I came from a denomination that didn t believe a women should even pray in church in the presence of men let alone teach them Biblically My wonderful dad was a strong leader in that denomination I had no peers When I started out in 1971 I found a book that had just been written about Dr Henrietta Mears who was a woman Bible teacher of depth who greatly influenced both evangelist Billy Graham and Bill Bright as young men Bill was the founder of Campus Crusade for Christ International now known today as CRU Dr Mears had recently died but the account of her powerful ministry to key spiritual leaders encouraged me The unpredictable soon became the normal Against all odds as a woman I was pioneering a role of ministering full time alongside male spiritual leaders I have taught extensively on television and radio My eight books as well as audio and video tapes have been translated and distributed world wide You were born to live a life of fulfillment but unless you allow Your Creator God who knows and understands you better than yourself to take charge and give you His orders as a way of life you will never experience total fulfillment My God given love for adventures including the dangerous and the unknown were amazingly fulfilled only as I kept saying Yes to Jesus in obedience to the ministry calling He had given me Be prepared to be amazed to laugh to cry and to be challenged to live on the cutting edge regardless of the cost as a willing bond slave of Jesus Christ

*My Journey with Jesus* Lizzie Johnson, 200? *The Life of The Lord Jesus Christ* Johann Peter Lange, 1872 **The New Testament of Our Lord and Saviour Jesus Christ** Frederick Henry Ambrose Scrivener, 1882 **Mark** Leonard Doohan, 2016-08-31 Mark is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church s accumulated traditions especially those he does not see as authentically representative of the events of Jesus s life and ministry He respectfully documents the authority of church leaders and still feels free to challenge them At times it is difficult to know what to make of Mark One point is clear no Christian of any time can read this gospel without being challenged by it **Jesus Christ: his life and his work** Frederic Amadeus Malleon, 1880 *My Journey Through the Wilderness* Aileen Roman, 2015-02-13 Dear Reader As I began to write this book I originally thought I would only share the past 15 months of my personal experiences and circumstances that led me to where I am today I soon realized that in order to paint a clear picture of how I got to this place in my life I needed to go further back As I reflect back to how this unusual journey started I must first begin with some life changing events which shaped the beginnings of this journey As you read on you will experience a journey with circumstances that took place over a period of 12 years So come with me as I take you on my journey into the heart of Jesus Christ **My Christ** Carl Delos Case, 1915
