My Kitchen Wars A Memoir:

My Kitchen Wars Betty Fussell, 2015-03-03 A fierce and funny memoir of kitchen and bedroom from James Beard Award winner Betty Fussell A survivor of the domestic revolutions that turned American television sets from Leave It to Beaver to The Mary Tyler Moore Show to Julia Child's The French Chef food historian and journalist Betty Fussell has spotlighted the changes in American culture through food over the last half century in nearly a dozen books In this witty and candid autobiographical mock epic Fussell survives a motherless household during the Great Depression gets married to the well known writer and war historian Paul Fussell after World War II goes through a divorce and finally escapes to New York City in her mid fifties batterie de cuisine intact My Kitchen Wars is a revelation of the author's lifelong love affair with food cooking it eating it and sharing it no matter where or with whom she finds herself From Princeton to Heidelberg and from London to Provence Fussell ladles out food sex and travel with her wooden spoon welcoming all who come to the table

My Kitchen Wars Betty Fussell, 2009-03-01 Although My Kitchen Wars is a war story this time the warrior is a woman and the battleground the kitchen Her weapons the batterie de cuisine of grills and squeezers and knives evoke a lifetime's need to make dinner love and war By prying open the past with these implements Betty Fussell gives voice to a generation of women whose stories were shaped and yet simultaneously silenced by an era of domestic strife and global conflict from World War II to Vietnam My Kitchen Wars also is a love story recounting Fussell's liberation from the tyrannical Puritanism of her family by a veteran of the Good War a young writer named Paul Fussell But she soon finds herself captive again constrained by the roles of faculty wife and mother Still she cannot stop hungering for both a life of the mind and carnal pleasures Her inner war to unite body and mind brings down the marriage in a denouement as brutal as the whack of a cleaver Yet Fussell however bruised emerges to cook another dinner and to tell her tale in this fierce and funny memoir My Kitchen Wars was adapted into a one woman play performed in Hollywood and New York *Eat Live Love Die* Betty

and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essay will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women s Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies
