My Lord Vire:

Our Lord's View of the World's Evangelization William Irvin, 1866 The New Testament View of the Old David
McCalman Turpie, 1872 *The works of Tennyson. Sch. ed* Alfred Tennyson (1st baron.), 1884 *The Ministry of the Word*,
Vol. 21, No. 04 Various Authors, 2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church The term orthodoxy refers to God's way for the church as ordained by Him and revealed in His Word The practice of the church that is according to God's original intention was present in the early years of the church before degradation set in We may say that orthodoxy is the equivalent of the word normal Thus the orthodoxy of the church is the normal Christian church life The overcomers are normal Christians in a time of abnormality Moreover the principle of returning to the orthodoxy is the same as that of recovery In order to be faithful to the Lord and to His word we must forsake mere tradition and return to what God originally intended for the church Concerning the actual practice of the church life three particular matters must become clear to us and real within us First we need to have a genuine vision of the church and see the church as the Lord Himself sees the church From the Scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing Then we will begin to realize what the church is to Christ and how He views the church in its actual condition In Revelation 2 and 3 the Lord Himself addressed many matters in the church but before doing so He presented to John a vision of the church as golden lampstands In the eyes of the Lord all seven churches including Thyatira Sardis and Laodicea as actual local churches were seven golden lampstands This indicates that intrinsically these seven churches were the embodiment and expression of the Triune God Second we need Christ's view and understanding concerning the degradation of the church The Lord Jesus is absolutely clear about the degradation in the churches nevertheless it is He who regards the churches intrinsically as golden lampstands Although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the Lord sees Third we need to know and carry out His way to care for the church in its condition We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church We need to know how to minister life how to conquer the satanic chaos and how to present the truth The co workers in particular need to learn of the Lord how to represent Him and how to carry out His administration to establish and maintain the order in the churches We need to be one with the Lord to minister Him according to the various situations Message 1 identifies that the weaknesses and failures in the churches are due to the

principle of Babylon which is hypocrisy To overcome this principle we must take Christ as our burnt offering As the burnt offering Christ is the One who is absolute for God and for His satisfaction When we take Christ as our burnt offering and consecrate ourselves to in with by and through Him as our burnt offering we become ashes The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar The east side is the side toward the sunrise and is an allusion to resurrection By being brought into resurrection we are brought into the transformation of the Triune God to become gold pearl and precious stones which are the building materials of the New Jerusalem Hence the ashes eventually become the New Jerusalem This should be our daily experience Messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God s economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the Body of Christ to bear the testimony of Jesus The Lord s recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God s wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South Africa and Europe There is also a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe [The Works of Alfred Tennyson](#) Alfred Tennyson Baron
