Stories, Streets, and Saints Anthony V. Riccio, 2022-10-01 Stories Streets and Saints documents the history of an important Italian American neighborhood Boston's North End from the age of immigration at the turn of the twentieth century to the era of neighborhood upheaval in the New Boston of the 1980s Drawing on years of fieldwork on site photography and scholarly research Anthony V Riccio records

translates and transcribes compelling oral histories of elderly Italian American storytellers who weave social history in their unique village idiom providing an intimate look at daily life in an Italian American neighborhood Testimonies of post Unification southern Italy reconstruct the dire social and economic conditions that caused millions to pursue the promise of America Rare firsthand stories of the Spanish Flu offer timely narratives in the wake of COVID 19 and eyewitness descriptions reconstruct the horrific Molasses Explosion of 1919 Riccio's own photographs from 1979 to 1983 along with images from old family albums illustrate these oral histories creating a lasting record of the experiences of Italian Americans who like many other ethnic groups contributed mightily to the building of America Some Women I Have Known Maarten Maartens, 1899 **The Forest Farm** Peter Rosegger, 2015-02-09 Example in this ebook Rosegger An Appreciation The unmistakable trend of our time is the civilisation which in its modern form is largely urbanisation of the whole habitable globe From its centres outwards it is thrusting itself upon places men processes ultimate sanctuaries never before reached by alien trespassing Most men are looking on at its destruction of the old order with shrugging acceptance of the inevitable or hailing the chaotic stuff of the new in its making with so far unjustified joy With a wit worn somewhat threadbare with use they invariably counsel the few eccentrics who deny its inevitability and question its beneficence to quit the hopes and mops of Mrs Partington for the discreet submission of the wiser Canute Then they grow properly grave and declare that this modern civilisation for all its shortcomings has been well described as a banquet the like of which for those below as for those above the salt has never been spread before However that may be there is no question that here and there a guest is sometimes moved to look round on the company and scan its several types with a sudden sense of their significance Some of these good and bad are common to all late civilisations he perceives others as hatefully peculiar to our own as certain diseases Where in God's name were there ever till now men like these who bend a complaisant spectacled gaze on a world going under content if they may but first secure their museum sample including one carefully chosen perfectly embalmed stuffed and catalogued peasant of every species Or their younger kindred men whose intellect obeys no inspiration save curiosity nor law save its own limit whose inventions therefore cannot foster good and beauty but only spoil these in Nature and men's souls As for that splendid group beyond one may question if Athens Rome or Byzantium whose sumptuous culture of brain and body achieved an almost criminal comeliness by Christian standards ever equalled them question too whether their selfish perfection or the travesty of it in this mob of women dull with luxury of men brutalised by the scramble of getting it for them be less desirable for the race Thankfully his eye passes from them to those who turn such a cold shoulder upon their vulgarity a little company fine edged polished and flexible with perpetual fence of wit and word hardly peculiar to our day perhaps but rather such as might have played their irresponsible game on the eve of any red revolution Now and again they lend an amused ear to various gassy gospels over the way where as he perceives he is once more among the children of this latter day alone notably certain insignificances who because they have raised their self indulgence to the dignity of a

problem play are solemnly mistaking themselves as actors and audience too for pioneers of social progress and some earnest women who have slammed the front door on their nearest and dearest stay at home duties and privileges to go questing after problematical rights It looks too as if the same types modified for worse and better by class conditions were repeated below the salt but there the multitude is so great that the individuals are soon lost in a far off colourless mass sometimes a menacing mass by no means so content with stale bread as the others with caviare To be continue in this ebook *The German Classics of the Nineteenth and Twentieth Centuries* Kuno Francke,1914 **Harper's Monthly Magazine** Henry Mills Alden,Thomas Bucklin Wells, Lee Foster Hartman,1903 Important American periodical dating back to 1850 *Rebel Without a Cause* Robert M.
