Dear diary :

This is the first time I am writing to you so I want to tell you about myself and my life. My name is Amy. I am a high school student and I live in Boston, Massachusetts. My hobbies are dancing, reading fiction books and listening to music. My favorite band is The Beatles. There is a pickup in my room . It belongs to my grandfather. I listen to them on that pickup. I have got all of their records. I also can play the guitar but I haven't got much time to practice it so I can't improve my guitar skills as much as I wish to. In the evenings, I study for school and do my homeworks after dinner. There are 5 rooms in our house. My room is next to my sister's room. She usually comes to my room and I tell her stories about princesses. She likes them very much but she always falls asleep before the story is over. She loves me and respects me.

I also have got 2 brothers. My brothers go to college in Chicago. There are many colleges in Chicago but they go to the same college. My sister is 4 years old so she doesn't go to school. My parents are both accountants. They work at the same office. In their office, my father's room is next to my mother's room so they see each other very often. They have been married for 23 years and they love each other very much.

Well, that's pretty much it. I will see you very often because I have got so many stories to tell. See you next time !
