## **My Hospital Experience:**

How to Get Out of the Hospital Alive Sheldon Paul Blau, 1998-07-01 Dr Sheldon Blau almost died after undergoing open heart surgery not from the surgery or heart disease but from infectious bacteria introduced during surgery His in hospital experiences made him a better doctor and inspired him to write *How to Get Out of the Hospital Alive* The book describes the role of each member of the medical team shows patients how to become active effective members of that team and offers concrete advice about ways to avoid the most common hospital related errors Ten Things You Can Do to Get Out of the Hospital Alive Make sure all your known allergies are clearly marked on your chart wrist band or on a piece of paper taped above your bed Mark the area of your body to be operated on with a felt tip pen Never eat or drink anything before surgery even if the nurse brings you a food tray Tell your anesthesiologist if you re on any type of medication Have a reliable advocate with you as often as possible throughout your hospital stay Write your name prominently on a piece of paper and tape it to the wall above your bed Always ask the nurse to check the name and dosage of any medication he or she is about to give you Don t let anyone bully you Don t hesitate to get a second or third opinion Trust your instincts *Communicating Women's Health* Annette Madlock Gatison, 2015-12-07 This volume explores the conditions under which women are empowered and feel entitled to make the health decisions that are best for them At its core it illuminates how the most basic element of communication voice has been summarily suppressed for entire groups of women when it comes to control of their own sexuality reproductive lives and health By giving voice to these women s experiences the book shines a light on ways to improve health communication for women Bringing together personal narratives key theory and literature and original qualitative and quantitative studies the book provides an in depth comparative picture of how and why women s health varies for distinct groups of women Organized into four parts historical influences on patient and provider perceptions breast cancer the silence and the shame make it taboo mothering reproduction and womanhood and sex sexuality relational health and womanhood each section is introduced with a brief synthesis and discussion of the key questions addressed across the chapters Psychosocial Approaches to Deeply Disturbed Persons E Mark Stern, Peter R Breggin, 2013-11-19 At a time when biological psychiatry claims that drugs and electroshock are the best methods for helping deeply disturbed persons mental health professionals need to be reminded that psychological and social approaches to mental illnesses remain more effective less harmful and much more able to address the real needs of recovery growth and development for affected persons *Psychosocial Approaches to Deeply Disturbed Persons* empowers counselors psychiatrists psychologists and social workers to trust their intuitive and clinical understanding of how to help seriously disturbed people through humane caring approaches *Psychosocial Approaches to Deeply Disturbed Persons* introduces mental health professionals to an array of psychological and social alternatives that are available for helping patients considered psychotic or very emotionally disturbed Focusing on psychological and social approaches to helping people who become labeled psychotic or who carry serious psychiatric

diagnoses contributors show mental health professionals psychological social and spiritual alternatives for approaching or treating these individuals Readers learn about a successful model for nonmedical non drug residential treatment centers utilizing the artwork of psychotic patients case histories of psychoanalytic therapy group therapy to help families with a schizophrenic member improve communication Re evaluation Counseling RC with disturbed individuals psychoanalytically oriented therapy World Health Organization research which demonstrates the positive effect of extended family and social relationships and the negative effect of modern biopsychiatric treatment research demonstrating the efficacy of psychotherapy with persons labeled schizophrenic These chapters combined with a review of empirical studies demonstrate to readers the efficacy of psychotherapy with psychotic patients Students or experienced professionals in any of the mental health fields including psychotherapy counseling clinical psychology clinical social work and Re evaluation Counseling will find Psychosocial Approaches to Deeply Disturbed Persons a necessity for most effectively and humanely treating clients with serious psychiatric diagnoses

Re-imagining Mothering and Career: Evelyn Biliias Lolis,Kathryn Phillips,Jenna LoGiudice,2023-08-01 The COVID 19 pandemic disrupted the global world but impacted women with children and careers disproportionately The social familial and professional strains of this crisis birthed with it the opportunity to reflect on the values expectations lifestyle and priorities that have defined motherhood This book uplifts the shared consciousness of motherhood the common veil that transcends time region and boundary Part contemporary anthology part historical narrative and fully nestled in the tenets of psychological science this book spotlights the awakenings of 33 mothers of varied ages ethnicities family compositions and professional backgrounds in the United States as they renegotiated motherhood and career Each reflection offers a window into the heart of a career mother capturing the kaleidoscope of her struggles vulnerabilities and hopes while empowering her insights The reflections are bound together by themes that cut across lived maternal experiences bringing to light a powerful creed for a life re imagined one that propels mothers forward in all of their roles

**In Search of the Spiritual** Paul Marcus,2018-04-17 This book is a most impressive and important study of the presence of the spiritual and the sacred in the writings of the twentieth century French philosopher Gabriel Marcel offering immense help in understanding Marcel and in seeing the usefulness of his ideas in psychoanalysis

*No Love: Confessions of a Would-Be School Shooter* An Anonymous Adult,2013-10-30 I almost shot up my school I almost shot myself And it had all felt so right It happened on a cold lonesome winter day The gun came from his parents bedroom The bullets from a clinical Styrofoam tray The will from the blackness inside him But from where came this plan for murder suicide Where and why Written over a decade after the fact No Love attempts to answer these riddles Behind the hedge of anonymity the author dissects the events and circumstances which would propel him to notoriety and chill him for life This dark memoir digs for clues to the cause of a school shooting narrowly averted using the clear lens of adulthood and retrospect Follow the author as he reconstructs that nightmare of so long ago in hopes of unraveling the mystery of his insane decline so that others might be
