My Island Homicide:

MY ISLAND HOMICIDE. CATHERINE. TITASEY, 2015 Island Genres, Genre Islands Ralph Crane, Lisa Fletcher, 2017-02-03 Island Genres Genre Islands moves the debate about literature and place onto new ground by exploring the island settings of bestsellers Through a focus on four key genres crime fiction thrillers popular romance fiction and fantasy fiction Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands The book offers broad comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts These include chapters on Agatha s Christie s islands the role of the island in Bondspace the romantic islophilia of Nora Roberts s Three Sisters Island series and the archipelagic geography of Ursula Le Guin s Earthsea Crane and Fletcher s book will appeal to specialists in literary studies and cultural geography as well as in island studies **Islands, Identity and the Literary Imagination** Elizabeth McMahon, 2016-07-09 Australia is the planet s sole island continent This book argues that the uniqueness of this geography has shaped Australian history and culture including its literature Further it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity The book links the historical and geographical conditions of islands with their potent role in the imaginary of European colonisation It prises apart the tangled web of geography fantasy desire and writing that has framed the Western understanding of islands their real and material conditions and their symbolic resonance from antiquity into globalised modernity The book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island s natural inhabitant or mirror Importantly the book challenges these habits of thought by their relocation within larger topological and imaginary visions from islanders themselves *Annual Report of ..., Governor of Porto Rico, Covering the Period from ...* Puerto Rico.
