Serious about Series Silk Makowski,1998-10-15 Teen paperback series routinely castigated or ignored by Young Adult librarians despite their popularity with young adults should be considered for inclusion in collections alongside other genres In Serious about Series Makowski provides distinct criteria by which these series can be judged for quality within their genre and emphasizes them as an inexpensive way to fulfill patron needs and increase circulation by bringing young people often considered non readers into the library Makowski s book is an insightful evaluation of over fifty popular series and includes an introduction that analyzes the teen series paperback genre and its significance for both teen reading practices and library services Hundreds of titles are annotated in the book allowing librarians to develop in house bibliographies of favorite teen series titles making this a truly useful reference source for the young adult librarian **Vietnam War Slang** Tom

Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang

lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang
