## **Mythos Aus Der Flasche Coca Cola Cultur Im 20 Jahrhundert:**

**Selling Modernity** Pamela Swett Leighninger, S. Jonathan Wiesen, Jonathan R. Zatlin, 2007-08-29 A historical study of modern German advertising from the Imperial period through the 1970s that explores mass consumption in modern society and the relationship between business mentalities artistic creation consumer behavior and ideology Consuming Germany in the Cold War David F. Crew, 2003-09-01 Sitting in the ruins of the Third Reich most Germans wanted to know which of the two post war German states would erase the material traces of their wartime suffering most quickly and most thoroughly Consumption and the quality of everyday life quickly became important battlefields upon which the East West conflict would be fought This book focuses on the competing types of consumer societies that developed over time in the two Germanies and the legacy each left Consuming Germany in the Cold War assesses why East Germany increasingly fell behind in this competition and how the failure to create a viable socialist consumer society in the East helped lead to the fall of the Berlin Wall in 1989 By the 1970s East Germans were well aware that the regime's bombastic promises that the GDR would soon overtake the West had become increasingly hollow For most East German citizens West German consumer society set the standards that East Germany repeatedly failed to meet By exploring the ways in which East and West Germany have functioned as each other's other since 1949 this book suggests some of the possibilities for a new narrative of post war German history While taking into account the very different paths pursued by East and West Germany since 1949 the contributors demonstrate the importance of competition and highlight the connections between the two German successor states as well as the ways in which these relationships changed throughout the period By understanding the legacy that forty plus years of rivalry established we can gain a better understanding of the current tensions between the eastern and western regions of a united Germany **American Big Business in Britain and Germany** Volker R. Berghahn, 2016-05-31 While America's relationship with Britain has often been deemed unique especially during the two world wars when Germany was a common enemy the American business sector actually had a greater affinity with Germany for most of the twentieth century American Big Business in Britain and Germany examines the triangular relationship between the American British and German business communities and how the special relationship that Britain believed it had with the United States was supplanted by one between America and Germany Volker Berghahn begins with the pre 1914 period and moves through the 1920s when American investments supported German reconstruction rather than British industry The Nazi seizure of power in 1933 led to a reversal in German American relations forcing American corporations to consider cutting their losses or collaborating with a regime that was inexorably moving toward war Although Britain hoped that the wartime economic alliance with the United States would continue after World War II the American business community reconnected with West Germany to rebuild Europe's economy And while Britain thought they had established their special relationship with America once again in the 1980s and 90s in actuality it was the Germans who with American help had acquired an informal economic

empire on the European continent American Big Business in Britain and Germany uncovers the surprising and differing relationships of the American business community with two major European trading partners from 1900 through the twentieth century Divided, But Not Disconnected Tobias Hochscherf, Christoph Laucht, Andrew Plowman, 2010-12-01 The Allied agreement after the Second World War did not only partition Germany it divided the nation along the fault lines of a new bipolar world order This inner border made Germany a unique place to experience the Cold War and the German question in this post 1945 variant remained inextricably entwined with the vicissitudes of the Cold War until its end This volume explores how social and cultural practices in both German states between 1949 and 1989 were shaped by the existence of this inner border putting them on opposing sides of the ideological divide between the Western and Eastern blocs as well as stabilizing relations between them This volume s interdisciplinary approach addresses important intersections between history politics and culture offering an important new appraisal of the German experiences of the Cold War **Plakate** Dieter Urban, 1997 **Werbung im Nationalsozialismus** Britta Lammers, 1999-01-01 Politik Werbung Propaganda und bildende Kunst stehen im Mittelpunkt der vorliegenden Arbeit Da die Werbung im Dritten Reich nur vor dem Hintergrund von Politik und Alltag dieser Zeit zu erfassen ist verfolgt Britta Lammers das Thema weit ber den engeren Rahmen der Werbebilder in den Katalogen der Gro en Deutschen Kunstausstellung 1937 44 hinaus Erst die konsequente Einbeziehung der Geschichte und Vorgeschichte des Nationalsozialismus sowie der interdisziplin re Zugang der Arbeit erm glichen eine exakte Verortung der k nstlerischen Ph nomene Die Prinzipien der Werbung im Dritten Reich der Einsatz von Werbepsychologie und die besonderen Bedingungen der Wirtschaftswerbung werden eingehend behandelt bevor sich die Autorin ihrem eigentlichen Thema zuwendet Den speziellen Inhalten der Werbung und den Formen ihrer Inszenierung Hierbei zieht sie immer wieder Vergleiche zur bildenden Kunst erkl rt die gestalterischen Prinzipien und kann durch die ungew hnlich breit angelegten Recherchen Details der Motive richtig einsch tzen und Divergenzen zwischen den Werbebildern und der tats chlichen gesellschaftlichen Praxis erkennen und deuten Werbung im Nationalsozialismus stellt nicht nur eine F lle an Material bereit sondern evaluiert und erprobt zugleich auch viele Gesichtspunkte und Interpretationszug nge **Annual Bibliography of Modern Art** Museum of Modern Art (New York, N.Y.). Library, 1996 **German Americana** Christoph Strupp, Kai Dreisbach, 2007 A comprehensive bibliography of books and scholarship on the United States produced in German speaking countries from 1956 2005 **Strategien der Werbekunst 1850-1933** Jörg Meissner, 2004 **Leben in Deutschland, 1945-1995** Peter Schulz-Hageleit, 1996 *Design & Applied Arts Index*, 1995 **Die Marke** Manfred Bruhn, 2001 **Gottesvernunft** Paul Ludwig Sauer, 1996 Der Josephsroman Thomas Manns definiert sich selbst als einer der ebenso erz hlt wie besonnen untersucht Darin und zugleich in seinem bibelhermeneutischen Anliegen ernst genommen legt er einen ber die literaturwissenschaftliche Perspektive hinausgehenden anthropologischen und geschichtsphilosophischen Diskurs nahe Gottesvernunft evoziert dabei die wechselseitige Entfaltung eines ganz

bestimmten Menschen und Gottesbildes Dessen religionstheoretische Konsequenzen werden auf verschiedene historisch politische Wirklichkeiten bezogen und die ihm entgegenstehende Gottesdummheit Basis aller Glaubensdiktatur als die zeiten und gesellschafts bergreifende fundamentalistische Versuchung ausgewiesen Die Darlegungen im ganzen richten sich gegen den re mythisierenden Trend und zielen darauf ab heutiges zumal deutsches Erkenntnisinteresse in die Rezeption dieses epischen Jahrhundertwerkes einzubringen      **Mythos aus der Flasche** Peter Zec,1994      **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen** ,1996      **Du atlantis** ,1994      Az Etnológiai Központ évkönyve ,2010      *Top hotel* ,2004      **Du** ,1994-07      **MD.** ,1994
