## Lc 135 Manual:

**On Becoming Cuban** Louis A. Pérez Jr., 2012-09-01 With this masterful work Louis A Pérez Jr transforms the way we view Cuba and its relationship with the United States On Becoming Cuban is a sweeping cultural history of the sustained encounter between the peoples of the two countries and of the ways that this encounter helped shape Cubans identity nationality and sense of modernity from the early 1850s until the revolution of 1959 Using an enormous range of Cuban and U S sources from archival records and oral interviews to popular magazines novels and motion pictures P rez reveals a powerful web of everyday bilateral connections between the United States and Cuba and shows how U S cultural forms had a critical influence on the development of Cubans sense of themselves as a people and as a nation He also articulates the cultural context for the revolution that erupted in Cuba in 1959 In the middle of the twentieth century P rez argues when economic hard times and political crises combined to make Cubans painfully aware that their American influenced expectations of prosperity and modernity would not be realized the stage was set for revolution
