English, 1996 A Dictionary of South African English is the fullest ever study of the English language in South Africa. The result of 25 years of work, this dictionary has been researched and written according to historical principles. However, as well as recording examples of South African English going back to the sixteenth century, the dictionary also provides an insight into the dramatic political and cultural changes in South Africa's history by examining the country's ever-changing language right up to the present day. Research into language has involved the contributions of hundreds of individual South Africans as well as extensive research into all other forms of the written and spoken language. Diverse and informative entries include robot, a traffic light, bakkie, a small truck, bond, a mortgage, and brinjals, aubergines. The dictionary includes such areas as children's slang, the vocabulary of soldiers, the mines, local music, terms, the townships, food, and a detailed look at the complex language of apartheid. English words originating from all the country's groups are recorded, including words from Dutch, Afrikaans, the Malayo-Indonesian languages, the Indian, Khoisan, Nguni, and Sotho languages. **Senior Scholastic**, 1966-03
