Marvelous Minilessons for Teaching Nonfiction Writing K-3 Lori Jamison Rog, 2015-12-11 Today s young learners know more about their world than ever before This remarkable book shows that even our youngest writers can consider audience and purpose as they use nonfiction writing to document their ideas and share those ideas with others But if students are going to be able to use writing to learn they must have opportunities for learning to write That s what this book is for A wealth of hands on minilessons offer strategies for writing informational persuasive and procedural text Each lesson starts with a learning goal and follows an I do we do you do format Teachers will find a wealth of ideas for guiding young students to write about what they know and care about *Writing Clubs* Lisa Eickholdt, Patricia Vitale-Reilly, 2023-10-10 Ask teachers about their biggest challenges in elementary and middle school and many will say the teaching of writing It is often difficult for students find the joy discovery and satisfaction writing can yield What Lisa Eickholdt and Patricia Vitale Reilly have found is that adherence to genre studies can get in the way of student collaboration Believing writing instruction should be more authentic they want students to have more choices develop better collaboration and sustain a sense of community all through the implementation of writing clubs In their book *Writing Clubs Fostering Choice Collaboration and Community in the Writing Classroom* you ll discover ways to Collaborate throughout the process of writing Choose what to write and how to

write it Examine mentor texts and study craft techniques across genres Develop speaking and listening skills Celebrate classmates accomplishments through publication Collaboration is widely recognized as a vital life skill Eickholdt and Vitale Reilly present a plethora of ideas on how gratifying it can be right now as well as in the future There s an old proverb that says If you want to go fast go alone If you want to go far go with others In Writing Clubs we discover that there is no limit to how far young writers can go when teachers show them what it means to collaborate

Becoming a Literacy Leader Jennifer Allen,2023-10-10 In this second edition of *Becoming a Literacy Leader Supporting Learning and Change* author Jennifer Allen reflects on her work as a literacy specialist and how the role has evolved in the decade since she wrote the first edition Her experiences can apply to all school leaders including principals coaches teachers support staff and office administrators Allen focuses on three ideas to describe her work Layered Leadership the multitude of supports in place for teachers to encourage learning and change within schools Shared experiences that develop community and develop common understanding of practices curriculum and assessment Importance of rowing in the same direction in that literacy coaches and leaders stay interconnected and aligned to the goals of the school Allen knows the challenges of teachers face and advocates literacy coaches implement these layers of support within a school including in class support curriculum support and assessment study group facilitation and the cultivation of teacher leadership In *Becoming a Literacy Leader* she provides an explicit framework for implementing these layers of coaching and explains how administrators can use the literacy leader position to build and sustain change within their schools This book will be the road map for how literacy leaders and coaches approach their work with purpose and intention Online videos that accompany the book bring the text alive by showing readers what coaching looks and sounds like
